Ayer's Sarsaparilla

A compound remedy, in which we have habored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases of the Bowels. arising from Cold. o anord an enective antique for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found

of the following complaints: —
SCROFULA AND SCROFULOUS COMPLAINTS. ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly-expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul gruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the itiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores: cleanse it when you find it is obstructed and sluggish in the veins; cleanse in whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of

life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been caregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence litter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of oblequy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the discuses it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

FOUTZ'S CELEBRATED Horse and Cattle Powders.

Horse and Cattle Powders.

These Powders have proved after a trial of soveral years, to be superior to any preparation of the kloid in use. The chief superiority of these Powders arises from the fact that they are composed of Medi ines that have Laxative Tonic and Parifying properties. The Laxative elects crudities from the stomach and intestines, the Tonic gives strength to the system of the Horse, and the purifying medicines contained in thom cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the while strengthens the appetite and gives the horse a fine, smooth and glows skin—improving the appearance vigor and spirit of the noble animal.

These Powders are not included, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sore prevention of Lung Fever, and a certain remedy for all diseases includent to the Horse, as Gianders, Yellow Water. Distempers, Founder Heaves, Slavering, Coughs, Loss of Appetite, and Vital Emergy, &c. These Powders will remove the worst Cough-on any Horse.
