LUKE FIDDLER TREVERTON,

Horse and Cattle Powders. These Powders have proved, after a trial of several years, to be superior torany preparation of the kind in use. The child superiority of these Powders arises from the fact that they are composed of Media lness that have lawther Powle and Purifying properties. The Laxative elects cruditles from the stomach and intestines. the Tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse, a fine, smooth and glossy silm—improving the appearance, vigor and spirit of the noble animal. These Powders are not intended, as most providers are, to bloat the animal, so as to give him the appearance of being fit when not really so—but, to romove the disease and premote his general health. These Powders are a Glanders. Yellow Water, Dis-tieumers, Founder, Heives, Slavoring, Coughs, Loss of Appetito, and Yital Energy, &c. These Powders, if used two-or three times a week, through the winter and sping, your Horse will never get the Lung Fever, Colle or Botts. A few doess of these Powders were, they might worst Cough on any Horse. Were owners of Horses to save the lives of many valuable Horses.
