Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found.

iment on many of the worst cases to be found of the following complaints:

Scrofula and Scrofulous Complaints, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYSPERSIA AND INDICESTION, ERYSIPELAS, ROSE OR St. Anthony's Fire, and indeed the whole class of complaints arising from IMPURITY OF

THE BLOOD. This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something

st go wrong, and the great machinery of is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else. During late years the public have been misled by large bottles, preceding to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence 'itter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for elieving it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete cradication from the system, the remedy should be judiciously taken according to directions on

ORGANIC WEAKNESS
Immediately cured, and full vigor restored. This distressing affection—which renders life miscrable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to-commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to dony that the power of procreation is lost sconer by those falling into improper habits than by the prudent? Besides being deprived the plensures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability. OFICE NO 7 SOUTH FREDERICK STREET.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office. A CURE WARRANTED IN TWO DRYS

No Mercury or Nauseous Trugs.—Dr. Johnston, member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

WOUNG FAEN

Who have injured themselves by a certain practice included in when alone, a habit frequently learned from evil companions, or at a hood, the effects of which are nightly left, even when astenge, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the dualing of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

reflect that a sound mind and body are the most ne-cessary requisites to promote committal happiness— Indeed, without these, the journey through life becomes a weary pilgrimage; the prespect hourly darkens to the view; the mind becomes shadowed with despair and filled with the mediateholy reflection that the happiness of another becomes blighted with our own.

When the miscuided and imprudent votary of pleasure finds that he has imbilled the seeds of this painful disease, it too often happens that an ill timed sense or shame, or dread of diseavery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance; such as ulcerated sore throat, diseased nose, necturel, sight as ulcerated sore throat, diseased nose, necturel, plains in the head and limbs, dimmes of sight, deafness, mades on the whin hones and arms, blotches on the head, tore and extremities, progressing with frightful rapidity, till at last the palatic of the mouth or the hones of the most fell lin, and by the most first of the mouth or the death of the counts a horrid object of commiseration, till death puts a period to his dreadful suffering, by sending him to "that Undiscovered Country from whence no texteller returns." DISEASE OF IMPRUDENCE.

Trust not your lives, or health, to the care of the many unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's a tvertisements, or style themselves, in the newspapers, regularly educated physicians, incapable of curing, they keep you trifling mouth after mouth taking their filthy and p-dsonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.

Dr. Johnston is the only Physician advertising.
His credentials or diplomes always hang in his office.
His remedies or treatment are unknown to all others, prepared from a life spent in the great hospitals of Exprepe, the first in the country and a more extensive private practice than any other physician in the world.

INDORSEMENT OF THE PRESS. The many thousands cured at this institution year after year, and the numerous important Surgleal Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other pipers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
