BALTIMORE LOCK HOSPITAL.

STABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

R. JOHNSTON has discovered the R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the worldsfor all private discases, weakness of the back or limbs, strictures, affections of the kidneva and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or giddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyro, may call with full confidence.

MARRIAGE.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities. &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent! Besides being deprived the pleasures of chealthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of progreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death

V CURE WARRANTED IN TWO No Mercury or Naiseous Drugs.—Dr. Johnston, member of the Royal Collegeof Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of Loudon, Paris, Philadelphia and elsewhere, has effected some of the most actorishing cares that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness ness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

It is a melancholy fact that thousands fall yletims to this terrible disease, owing to the unskillfulness of ignorant pretenders who, by the use of that deadly polson, Mercury, ruin the constitution and make the residue of life miserable.

STRANGERS

Trust not your lives, or health, to the care of the many unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's a tvertisements, or style themselves, in the new spapers, regularly educated physicius, incapible of curing, they keep 350 triffing month after month taking their fifthy and bessons companies or a longest the month. keep you trifling mouth after mouth taking their filthy and poisonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with rufned health to sigh over your gilling disappointment.

Dr. Johnston is the only Physician advertising.

His credentials or diplomas always hang in his office. His remedies or treatment are unknown to all others, prepared from a life spent in the great hospitals of Europe, the first in the country and a more extensive private practice than any other physician in the world INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun."
