YOUNG MEN Especially, who have become the victims of solltary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exaited talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquonce or waked to ecstasy the living lyre, may call with full confidence. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured:
He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician. ORGANIC WEAKNESS

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excessos from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to dany that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. Philadelphia and elsewhere, has effected some of the most actualishing cures that were ever known; many troubled with ringing in the head and eats when askeep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAMEPARTMOUTH. AR WORDSER

TAME PARTICULAR NOTICE. Dr. J. addresses all those who have injured themselves improper indulgence and solitary habits, which rui oth body and mind, untitting them for either bus n tudy, society or marriage.

MENTALLY —The learnal effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil torebodings, aversion to society, self district, lose of softude, timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.
