BALTIMORE LOCK HOSPITAL. ESTABLISHED AS A REFUGE FROM QUACKERY.

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

R. JOHNSTON has discovered the R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspépsy, languor, low spirits, confusion of ideas, pulpitation of the heart, timidity, tremblings, dinniess of sight or gliddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the soittary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulyses, blighting their most brilliant hopes or anticipations, rendering marriago, &c., impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intollect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

Married persons, or young men contemplating mar-age, being aware of physical weakness, organic debily, deformities, &c., speedily cured. He who places himself under the care of Dr. J. may slighously confide in his honor as a gentleman, and onlidently rely upon his skill as a physician.

ORGANIC WEAKNESS Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too aptito commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dwspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFICE NO 7 SOUTH FREDERICK STREET Left hand side going from Baltimore street, a few doors

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at a hood, the effects of which are nightly felf, even when askep, and if not cured renders nightly left, even when asseep, and it not cure renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

templating ___ MARRIAGE. reflect that a sound infind and body are the most ne-ressary requisites to promote countibal happiness— indeed, without these, the journey through life becomes a weavy pilgrimage; the prespect hourly darkens to the view; the mind becomes shedowed with despair and filled with the inclinately reflection that the happiness of another becomes blighted with our own.

When the misgailed and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often bappens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearanced such as ulcerated sore threat, diseased nose, nocturna, pains in the head and limbs, dimness of sixth, desfness, nodes on the shin bones and arms, blotches on the head, fine and extremities, progressing with rightful rapidity, till at last, the pelate of the mouth or the house of the nose fall in, and the victim of this a wful discuss becomes a heril object of commiscration, till death puts a period to his dreadful subclings, by sending him to "that Undiscovered Country from whence no traveller returns." It is a melanchely fact that thousands fall victims to
this terrible disease, owing to the unskillfulness of ignorant pretenders who, by the use of that deadly poison, Mercuny, ruin the constitution and make the re
sidue of life miserable.
