WM. BENTZ. June 1, '62, BALTIMORE LOCK HOSPITAL.

STABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN DE OBTAINED:

R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, pulpitation of the heart, timidity, trembilings, dinness of sight or gliddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels-those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrons to the Mariners of Ulyses, hilghting their most brilliant hopes or anticipations, rendering marriage, &c , impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exaited talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ectasy the living lyre, may call with full confidence. MARRIAGE.

Married persons, or young men contemplating mar-lage, being aware of physical weakness, organic debil-ty, deformities, &c., speedily cured. He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEARNESS Immediately cured, and full vigor restored. This dis tressing affection—which renders lite miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those failing into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability. Ayspepsia, papitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFICE NO 7 SOUTH FREDERICK STREET.

V CURE WARRANTED IN TWO No Mercury or Nauseous Drugs.—Dr. Johnston, member of the Royal College of surgeous, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Parls, Philadelphia and elsowhere, has effected some of the most actorishing lurgs that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately. TAKE PARTICULAR NOTICE.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured the meselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either bus ness, study, society or marriago.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsy, nervous irritability, derangement of the digeative functions, general debility, symptoms of consumption.

MENTALLY.—The learnul effects on the minu are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

WOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or it is hool, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the durling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

MARRIAGE. reflect that a sound mind and body are the most necessary requisites to promote connublat happiness.—Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darks as to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE. When the misguided and imprudent votary of plea ure fluds that he has imbibed the seeds of this painful sure fluds that he has imbibed the seeds of this painful disease, it too often bappens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearances such as alcerated sore throat, diseased nose, nocturna, pains in the head and limbs, dlumess of sight, deafness, nodes, on the shin, bones, and arms, blotches on the head, face and extremitles, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fail in, and the victim of this a whil disease becomes a horrit object of commiscration, till death puts a period to his dreadful suffering, by synthesis death puts a period to his dreadful sufferings, by sen-ing him to "that Undiscovered Country from when

and the "that Undiscovered Country from whonce no traveller returns."

It is a melancholy fact that thousands fall victims to this torreble disease, owing to the unskillfulness of ignorant pretenders, who, by the use of that deadly poison, Mercury, ruin the constitution and make the residue of life miserable. Trust not your lives, or health, to the care of thmany unlearned and worthless pretenders, destitute of
knowledge, name or character, who copy Dr. Johnston's
a ivertisements, or style themselves, in the newspapers,
regularly educated physicians, incapable of curling, they
keep you trifling month after month taking their filthy
and pelsoneus compounds, or as long as the smallest fee
can be obtained, and in dispair, leave you with ruined
health to sigh ever your gailing disappointment.
