It is most necessary, therefore, that the true, loyal men of the Country should gird on their armor to meet these dastards and defeat their purposes.

We say then, to the people of Cumberland County come to Carlisle on Saturday the 10th of October next, and show these disguised traitors that you well-un-derstand their purposes, and are fully prepared to meet and deal with them as they so richly deserve.

Let us have a Grand Rally,- A glorious meeting. To the ramparts, soldiers! and prepare for the warfare ! Young men of Cumberland County-old men of Cumberland rally and come in your strength and pride, and join your voices with ours in swelling a shout for freedom-for free men, that will be heard from the Deleware to the Lakes. ## UNION MEETINGS.

## A Spirited Campaign.

Our friends in the county, we are glad to say, are fully awake to the inportance of the present campaign, and are making every honorable effort to carry the county for the good cause. Eenthusiastic meetings have been held at Carlisle, West Fairview, Centreville, Leesburg, and Newburg. Meetings are announced for every night next week, when we hope to have the assistance of an eloquent and effective speaker from Huntingdon county. Friends of Ourtin and the Goverment read the appointments in another column and see that a full attendance is secured for every one of them.
