BALTIMORE LOCK HOSPITAL. ESTABLISHED AS A REFUGE FROM QUACKERY. ... THE ONLY PLACE WHERE A CURE CAN

BE OBTAINED: DR. JOHNSTON has discovered the M. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary disclibrges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or giddliness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrons to the Mariners of Ulyses, bilghting their most brilliant hopes or anticipations, rendering marriage, &c, impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exaited talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to estasy the living lyre, may call with full confidence.

MARRIAGE. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, defermities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS ORGANIC WEAKNESS
Immediately cured, and full vigor restored. This distressing affection—which renders life unlearable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those failing into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFICE NO 7 SOUTH PREDERICK OFICE NO 7 SOUTH FREDERICK STREET. from one of the most eminent Colleges in the Unifed
States, and the greater part of whose life has been spent
in the hospitals of London, Paris, Philadelphia and
elsewhere, has effected some of the most astonishing
curres that were ever known; many troubled with ringing in the head and caus when asleep, great nervousness, being alarmed at sudden sounds, bashfulness,
with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

emplating MARRIAGE. reflect that a sound mind and body are the most messary requisites to promote countial happiness-indeed, without these, the journey through life become a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE. DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of plea sure finds that he has imbibed the seeds of this painful disease, it too often bappens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearancel such as ulcerated sore throat, diseased mose, nocturna, pains in the head and limbs, dimness of sight, desfiness, nodes on the shin bones afid arms, blotches on the head, face and extremitles, progressing with hightful rapidity, till at last the palate of the mouth or the hones of the nose fail-in; and the victim of this a wint disease becomes a horril object of commisseration, till disease becomes a horril object of commisseration, till disease becomes a horrit object of commiscration, till death puts a period to his dreadful sufferings, by send-ing him to "that Undiscovered Country from whence no traveller returns."

It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretonders, who, by the use of that deadly poison, Mercury, ruin the constitution and make the residue of life miserable.

STRANGERS STRANGERS

Trust not your lives, or health, to the care of thmany unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's a tvertisements, or style themselves, in the newspapers, regularly educated physicians, incapible of curing, they keep you trifling month after month taking their filthy and prisonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health to sigh over your galling disappointment.
