BALTIMORE LOCK HOSPITAL.
ESTABLISHED AS A REFUGE FROM QUACKERY.

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

DR. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or giddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c, impossible.

YOUNG MEN

Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility a wasting of the frame, cough, consumption, decay and death

OFFICE NO 7 SOUTH FREDERICK STREET.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number. Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

CURE WARRANTED IN TWO TO FIVE DAYS.

No Mercury or Nauseous Drugs.—Dr. Johnston, member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, loss of sight, blotches on the face, disinclination to society, blushing, wakefulness, trembling, indecision, want of confidence, self-distrust, aversion to company, timidity, lassitude, lowness of spirits, &c., are some of the many symptoms of a diseased and debilitated system.

Many of the unfortunate victims on the mind are made to dwell on the enjoyments of the past with sorrow and regret, and the present with gloom and despondency. Their sufferings are indescribable. Who that has committed this solitary habit in early life, does not at times experience the following symptoms: Blotches on the face, pain in the head, dimness of sight, loss of memory, universal lassitude of the muscular system, frequent blushings, trembling of the heart, timidity, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Now, reader, if you have contracted this solitary habit you cannot be too forcibly impressed with the idea of the great importance you should attach to a timely application. Many a young man has become a confirmed victim of this destructive habit, through the dangerous influence of bad company, and the want of proper information of the consequences resulting from indulgence in this secret habit. Such persons must before contemplating

MARRIAGE

reflect that a sound mind and body are the most necessary requisites to enjoy connubial happiness—indeed without these the journey through life becomes a weary pilgrimage, the prospect is dark, and the future blighted with despair, the mind becomes shrouded with despondency, and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the sexual and reproductive organs of pleasure and happiness become the means of this painful disease, it too often happens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone be relied on, delaying till the constitutional symptoms of this infernal disease make their appearance, such as ulcerated sore throat, diseased nose, pains in the head and bones, blotches on the face and body, nodes on the shin bones and arms, blindness on the head, falling of the hair, and the virus of the disease contaminates the system, and finally destroys the fabric of the mouth, throat and nose, and the bones of the face fall in, and the victim of this awful disease becomes a frightful object of commiseration, till death puts a period to his dreadful suffering, by sending him to that undiscovered country from whence no traveller returns.

It is cruel in the extreme to think that thousands fall victims to this terrible disease owing to the unskillfulness of ignorant pretenders, who, by the use of that deadly poison, Mercury, ruin the constitution and make the rest of life miserable.

STRANGERS

Take warning in time for health, to the care of the many contemptible and worthless pretenders, destitute of knowledge, science or character, who copy Dr. Johnston's advertisements, or stole themselves in the newspapers, or obtain stolen certificates, or applied to the Directory, &c., for the purpose of getting into practice, and who, by the use of that deadly poison, Mercury, ruin the constitution and make the rest of life miserable.

INDORSEMENT OF THE PRESS.

The many thousands cured at this Institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Clipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
