BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN

BE OBTAINED: P. JOHNSTON has discovered the R. JOHNSE ON has discovered the most certain, speedy and only offictual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general delility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dinness of sight or giddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or howels—those terrible disorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulyses, blighting their most brilliant hopes or anticipations, rendering marriage, &c, impossible.

YOUNG MEN Especially, who have become the victims of solliary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exatted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ectacy the living lyre, may call with full confidence.

MARRIAGE. Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously conside in his honor as a gentleman, and

ORCANIO WEAKNESS ediately cured, and full vigor restored. This di-ing affection—which renders life miserable and tressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are two apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into impreper habits than by the prudent! Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palptation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFIGE NO 7 SOUTH FREDERICIE OPICE NO 7 SOUTH PREDERICK

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulence and solitary habits, which ruin both body and mind, unfitting them for either bus ness, study, society or marriage.

These are some of the sad and melancholy effects praduced by early-habits.of.gauth,.viz: Weakness of the back and limbs, pains in the head, dimness of sleht, loss of muscular power, palpitation of the heat dyspersy, nervous criticality, decangement of the digestive functions, general debility, symptoms of consumption.

MENTALLY.—The bearant effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil force doings, aversion to society, self district, love of solitude, tindity, &c., are some of the exils produced.

Thou rules of persons of all ages can now judge what is the cause of their declining health, losing their vigo, becoming weak, pale, nervous and emeriated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN TAKE PARTICULAR NOTICE.

should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulying in cert iin secret habit. Such persons must before con

DISUASE OF IMPRUDENCE. When the misguided and improdent votary of plea since finds that he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can abuse befriend frim, delaying till the constitutional sampt ans of this horrld disease make their appearanced such as discreted sorred threat, diseased nose, metuna, pains it the head and limbs, dimness of sight, deafness, pains is the head and limbs, dimness of sight, deafness, notes on the chin tones and arms, blotches on the head, tace and extremities, progressing with trightful rapidity, till at last the palate of the mouth or the banes of the mose fall in, and the victim of this a wful disease becomes a herrit object of continuiseration, till death puts a period to his dreafful sufferings, by sending him to "that Undiscovered Country from whonce one travelles returns." -no travellar-returns.?.
It is a melanchedy fact that thousands fall victins to
this terrible discuss, owing to the unskillfulness of igmerant pretenders, who, by the use of that deadly poisson, Mercury, ruin the constitution and make the re

Trus' not your lives, or health, to the care of thmany unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's a tretisements, or style themseves, in the new spapers, regularly educated physiciaus, incapable of curing, they keep you trilling mouth after mouth taking their fifthy and polsonous compounds, or as long as the smallest fee can be obtained, and in despair, leave you with ruined health teigh over your galling disappointment.

Br. Johnston is the only Physician advertising.
Illis credentials or diplomas always shang in his office.
