BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN

BE OBTAINED: R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidners and bladder, involuntary discharges, impotency, general deidlity, nervousness, dyspensy, languar, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or glidiness, disease of the head, threat, nose or skin, affections of the liver, lungs, stomach or howels—those terribe disorders arising from the solitary habits of youth—those secret and solitary practice more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriago, &c, impossible.

YOUNG MEN Especialty, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of cloquence or waked to ecstasy the living lyre, may call with full confidence.

THARBUTAGES MARRIAGE.

Married persons, or young men contemplating mar-riage, being aware of physical weakness, organic debil-ity, deformities. &c., speedily cured.
He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and ORGANIC WEAKNESS

nmediately cured, and full vigor restored. This dis-essing affection—which renders life miserable and sarriage impossible—is the penalty paid by the victims improper indulgences. Young persons are too apt to mmit excesses from not being aware of the dreadful menurement that may ensue. Now, who that under-mesquences that may ensue. consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those failing into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, despepsia, palpitation of the heart, indirection, constitutional debility, a wasting of the fraine, cough, consumption, decay and death ONLIGE MO. 7 COLUMN TREPUBLICATION. TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who havelujured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either bus ness, study, sociaty-or-marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs pains in the head, dimnessof sight, loss of morecular power, pulpitation of the heat dyspepsy, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption.

Many culty—The learnal effects on the minu are much to be dreaded—loss of memory, confusion of ideas, depression of sphilts, evil torchodings, aversion to society, self distruct, love of solitude, timidity, &c., are some of the exils produced.

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are highly fell, even when asleep, and if not cured renders marringe impossible, and destroys both mind and body, chould annly immediately. marring impossible, and destroys both mind and loog, should apply immediately.

What a pity that a young man, the hope of hiscoun-try, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviation from the path of nature and indulging in certain secret habit. Such persons must before co
