BALTIMORE LOCK HOSPITAL. ESTABLISHED AS A REFUGE FROM QUACKERY. THE ONLY PLACE WHERE A CURE CAN

BE OBTAINED: R. JOHNSTON has discovered the R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private discusses, weakness of the back or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general deidlity, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dinnuess of sight or giddiness. discase of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the soiltary habits of youth—those secret and solitary fractices more fatal to their victims than the song of Syrons to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c. impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exaited talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence. MARRIAGE

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, determities, &c., spendily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician. ORGANIC WEARNESS

Immediately cured, and full vigor restored. This distressing affection—which renders life miscrable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sconer by those falling into improper nabits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption decay and death OFICE NO 7 SOUTH FREDERICK OFICE NO 7 SOUTH FREDERICK STREET. DISEASE OF IMPRUDENCE. When the miscuided and imprudent votary of pleasure finds that he has imbilied the useds of this painful disease, it to often happens that an ill timed sense of shame, or dread et discovery, deters him from applying to those who, from education and respectability, can atome befriend him, delaying till the constitutional symptoms of this horrid disease make their appearancel such as discrated sore throat, diseased nose, nocturns, pans in the head and limbs, dimessor fisicht, deafness, nodes on the shin bones and agms, blotches on the head, face and extremities, pregressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose full in, and the victim of this a wful disc see become a deviat object of commiscration, till disease becomes a horril object of commiscration, till death puts a period to his dreadful sufferings, by send-ing him to "that Undiscovered Country from whence no traveller returns."
It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pretenders who, by the use of that deadly poison, Werenny, ruin the constitution and make the residue of life miserable.
