Dry Goods. DE PERMANENTLY CURED!

The great superiority of Dr. MARKLEY'S popular and well tried FAMILY MEDICINES is traced to the fact that they search out and eradicate the cause of disease and hence never fail to effect a permanent cure. They not only restore tone to the dizestive organs, imparting a healthy action to the Stomach, Liver and Bowels, but they thoroughly purify the blood, thus permanently curing the disease by destroying its foundation A CASE IN POINT.

On the 27th of January, 1850, Mr D. S. Moore, of Grampian H.H. Clearfield Co. Pa., wrote that he was holiced by the numerous testimonials he had seen of the cure effected by Dr. Markley's Medicines, to apply in behalf of a sister, whose case he thus described:

* * * For the last six years she has been suffering from Scrotula and White swelling. In 1854

The Medicines—the Health Restorative Balsam, the Febriuge or Black Powder, and the Black Ointment were furnished, and the result of their use is an-ananounced in the following letter: nounced in the following letter:

ORAMPIAN HILLS, PA., August 14th, 1863.

DR. G. H. MARKERY—Dear Sfr: I am happy to inform you that the Medicines received from you some three years since HAVE EFFECTED AN ENTIRE CURE in the case of my sister, who, you will remember, was suffering from Scrofula and White Swelling.

Most Respectfully, &c., D. S. MOORE.

LANCASTER, PA., March 4, 1863.

Du. G. H. Markley—bear Sir; It affords me much pleasure to have an oppartunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspecisia in its most aggravated form; my system having become so much deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word. I was then living at Hopewell, Chester County, and in 1857, as a last resort, I commonced the use of your medicines. They soon afforded me relief fir m the most painful symptems which I had scancely hoped to obtain; and in a surrolisingly short time I was completely restored to health, and I have enjoyed the best of health ever since—not a symptom of my old complaint remaining. Since then, I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them

While still living at Hopewell, I became agont for your father, and sold a large quantity of the medicine for him, and all who used them were loud in thoir praise. A child of Mr. Plekering, of Hopewell, was affilieted with White Swelling in the knee. It was a very bad case! He used your Buissan, Cobrituge and Black Olintment which effected a perfect cure. Numerous other cases of cures effected by your valuable remedies in that neighborh od, could be enumerated if desired. I have seen enough of trem to justify me in saying that your Family Medicines are the best ever presented to the public, of which I have had any knowledge; and it is no less my LANCASTER, PA., March 4, 1863.

Respectfully yours,
A. D. CAMPBELL. These cases are only two of thousands which might be published. All who value their Health and Life should use these Standard Remedies, and their cure will be Complete and Permanent.
