DR. MARKLEY'S FAMILY REMEDIES TRIUMPHANT The Great Dyspepsia Medicine and Blood-Searcher. Dr. Markley's

HEALTH RESTORATIVE BALSAM READ! READ!!

BE PERMANENTLY CURED! The great superiority of Dr. MARKLEY'S popular and well tried FAMILY MEDICINES is traced to the fact that they search out and cradicate the cause of disease and hence never fail to effect a perinanent cure. They not only restore tone to the digestive organs, imparting a healthy action to the Stomach, Liver and Bowels, but they thoroughly purify the blood, thus perinanently curing the disease by destroying its foundation A CASE IN POINT.

A CASE IN POINT.

On the 27th of January, 18:0, Mr. D. S. Moore, of Grampian Hills, Clearfied Co. Pa., wrote that he was induced by the numerous testimonials he had seen of the cure effected by Dr. Markley's Medicines, to apply in behalf of a sister, whose case he thus described:

* * * For the last sky years she has been suffering from Scrotula and White swefling. In 1854 she suffered severe pain in one of her legs attended with swelling which extended from the knee to the hip. In about two months it broke and discharged, and has continued so to do until the present time. On one occasion a piece of bone three inches in length, and at another time one of a smaller size, came out,—Her knee has been still for three years, and at times the pain is very severe." * * * * *

AN ENTIRE CURE EFFECTED. AN ENTIRE CORE EFFECTED.

The Medicines—the Health Restorative Balsam, the Febrifuge or Black Powder, and the Black Ointment were furnished, and the result of their use is announced in the following letter:

GRAMPIAN HILLS, P.A., August 14th, 1863.

DR. G. H. MARKEY—Dear Sir: I am bappy to inform you that the Medicines received from you some three years since HAVE EFFECTED AN ENTIRE CURE in the case of my sister, who, you will remember, was suffering from Serofula and White Swelling.

Most Respectfully, &c.,

Certificate of MR. ABNER D. CAMPBELL. of the firm of Campbell & Marshall, Boot and Shoe dealers, Centre Equare.

Lancaster, Pa., March 4, 1863.

Dr. G. H. Marrley—Dear Sir: It affords me much pleasure to have an opportunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their effects is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspepsia in its most agravanted form; my system having become so much deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word. I was then living at Hopowell, Chester County, and in 1867, as a last resort. I commenced the use of your medicines. They soon afforded me relief from the most painful symptoms which I had scarcely hoped to obtain; and in a surryisingly short time I was completely restored to health, and I have enjoyed the best of health ever since—not a symptom of my old complaint remaining. Since then, I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them While still living at Hopewell, I became agent for your father, and soid a large quantity of the medicine for him, and all who used them were loud in their praise. A child of Mr. Pickering, of Hopewell, was afficient with White Swelling in the knee. It was a very bad case! He used your Blaisam, Febrifuge and Black Olntmont which effected a perfect cure. Numerous other cases of curos effected by your valuable remedies in that neighborhood, could be accumerated if desired. I have seen enough of them to justify me in saying that your Family Medicines are the best ever presented to the public, of which

... Those cases are only two-of-thousands—which might be published. All who value their Health and Life should use these Standard Remedies, and their cure will be Complete and Permanent. Prepared only by Dr. G. H. MARKLEY at his Drug and Medicine Store, 22 EAST KING-ST., I ancaster, Penna., to whom all letters and orders should be ad dressed.

A CURE WARRANTED IN TWO DRYS No Mercury or Nauscous Brugs.—Dr. Johnston, member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and eisewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great, nervous-ness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE. Dr. J. addresses all those who haveinjured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects These are some of the sad and melancholy effects produced by early habits of youth, xiz: Waskaess of the back and limbs, pains in the head, dimess of sight, loss of muscular power, palpitation of the heart, dyspensy, nervous irritability, derappement of the digestive functions, general debility. MENTALLY—The tearrul effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigoro, becoming weak, hale, nervous and emached, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN WOUNG MAEIN
Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from ovii companious, or at a hoot, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.
What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

When the miscuided and improdent votary of pleasure finds that he has imblied the seeds of this painful disease, it too often happens that an III timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrld disease make their appearancel such as ulcerated sore throat, diseased nose, necturna, pains in the head and himbs, dimness of sight, definess, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the hones of the nose fall in, and the victim of this a wful disease becomes a horrld object of commiscration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns." It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ig-norant pretenders, who, by the use of that deadly pol-gon, Mercury, ruln the constitution and make the re-sidue of life miserable.
