HEALTH RESTORATIVE BALSAM READ!/READ!!DE PERMANENTLY CURED!

The great superiority of Dr. MARKLEY'S popular and well tried FAMILY MEDICINES is traced to the fact that they sear beaut and enabeate the cause of disease and hence never tail to effect a primanent cure. They not only restore fome to the digestive organs, imparting a healthy action to the Stomach, Liver and Bowel-but they thoroughly purify the blood, thus perma-nently curing the disease by destroying its foundatio A CASE IN POINT.

A CASE IN POINT.

On the 27th of January, ISO, Mr. D. S. Moore, of Grampian H.H. (Cleathed) Co. Pa., wrote that he was induced by the numerous testimonials he had seen of the cure effected by D. Markley's Medicines—to apply in behalf of a siler, whose case he thus described in behalf of a Sciottly and White swelling. In 1854 she suffered severe pain in one of her legs attended with swelling, which extended from the knee to the hip. DR. G. H. WARKLY—Dear Sir: I am happy to inform you that the Medicines received from you some three years since HAVE LEFF CTLD AN ENTIRE CERE in the case of my sister, who, you will remember, was suftering from Scrotica and White Swelling.

Lancastra, Pv. March 4, 1863.

Da. G. H. Marker—Dear Sir: It affords me much pleasure to have an opportunity to add my testimony in favor of your popular family mederines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Tyspopola in its most aggravated form; my system having become so much deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best dectors within reach, without relief. I used some of the most popular renedius of the day, recommended for that disease, but now for them did me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word. I was then living at Hopewell, Chester County, and in 1857, as a last resort, I commonced the use of your medicines. Thoy soon affored more relief from the most painful symptoms which I had sequely hoped to obtain; and in a surrotingly short time I was completely restored to health, and I have enjoyed the best of health ever since—not a symptom of my old complaint remaining. Since thou, I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them.

While still living at Hopewell, I became agent for your father, and sold a large quantity of the medicine for him, and all who used them were loud in their praise. A child of Mr. Pickering, of Hopewell, was afflicted with White Swelling in the knee. It was a very bad case. He used your Balsem. Febrifuge and Black Ointment which effected a prifect cure. Numerous other cases of cures effecte I by your valuable ramedies in that neighborh od, coold be enumerated if desired. I have seen enough of them to justify me in saying that your Family Medicines are the bestever presented to the public, of which I have had any knowledge; and it is no less my pleasure then my duty to recommend them to all who are the Lancastre, Pa., March 4, 1363.
