To the Farmers of Cumberland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most complete Grain Drill now manufactured in the United States. It sows Wheat, Rye, Oats, Barley and Grass, evenly and regular, without bunching the seed. A CASE IN POINT.

On the 27th of January, 1860, Mr. D. S. Moore, of Grampian II II. Clearheid Co. Pa., wrote that he was induced by the intenerous testimomals he had seen of the cure offer (et let your Markley's Medicines) to apply in behard of a sister, whose case he thus described:

LANCASTER, PA., March 4, 1863. DB. G. H. MARKLIN—Dear Sir: It allords me much pleasure to have an opportunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspecial in its most aggravated form; my system having become so much deranged had debilitated, that I was upable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of the midd me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word: I was then living at Hopewell, Chester County, and in 1857, as a last resort, I commended the use of your medicines. They soon afforded me relief from the most painful symptoms which I had searcely hoped to obtain; and in a surrorisingly short time I was completely restored to health, and I have only of the best of health ever since—not a symptom of my old complaint remaining. Since then, I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them.

While still living at Hopewell, I became agent for your father, and sold a large quantity of the medicine for him, and all who used DB. G. H. MARKLEY-Dear Sir: It affords me much While still living at Hopewell, I became agent for your father, and sold a large quantity of the meditine for him, and all who used them were loud in their praise. A child of Mr. Plekering, of Hopewell, was affected with White Swelling in the knee. It was a very bad case! He used your Balsam, Febrituge and Black Ointment which effected a perfect cure. Numerous other cases of cures offected by your valuable remedies in that neighborh od, could be enumerated if desired. Have seen enough of them to justify, me in saying that your Pamily Medicines are the best over presented to the public, of which I have had any knowledge; and it is no less my pleasure then my duty to recommend them to all who are the victims of disea e.,
