AS just returned from the Philadelphia and New York markets with a large and HEALTH RESTORATIVE BALSAM Dr. Markley's

A CASE IN POINT.

On the 27th of January, 1869, Mr. D. S. Moore, of Grampian Hill. Clearfield Co. Pa., wrote that he was induced by the numerous testimonials he had seen of the cure effected by Dr. Markley's Medicines, to apply in behavior as sister, whose case he thus described:

\* \* \* For the last six years she has been suffering from Scrotnia and White swelling. In 1854 she suffered severe pain in one of her legs attended with swelling which extended from the knee to the hip. In about two months it broke and discharged, and has continued to do until the present time on one occasion a piece of bone three inches in length, and at another time one of a smaller size, came out.

Her knee has been stiff for three years, and at times the pain is very severe?

AN ENTHER CURE EFFECTED

AN ENTIRE CURE EFFECTED. The Medicines—the Health Restorative Balsam, the Febrifuge or Black Powder, and the Rest. the Black Unitment were furnished, and the result of their use is antonuced in the following letter:

Grayerisa Hills, Pa., August 14th, 1863.

DR. G. H. Maggley—Dear Sir: I am happy to inform you that the Medicines received from you some three years time HAVE EFFECTED AN ENTIRE CURE in the case of my sister, who, you will remember, was suffering from Scrotula and White Swelling.

Blost Respectfully, &c., D. S. MOORE. The Medicines-the Health Restorative Balsam, the

Certificate of MR. ABNER D. CAMPBELL. of the firm of Campbelt & Marshell, Boot and Shoe dealers, Centre Square.

LANCASTER, PA., March 4, 1863.

Dr. G. H. MAERLEY—Dear Sir: It affords me much pleasure to have an opportunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspepsia in its most aggravated form; my system having become so much deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best dectors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word. I was then living at Hopewell, Chester County, and in 1857, as a last resort, I commenced the use of your medicines. They soon afforded me relief firm the most painful symptoms which I have searely hoped to obtain; and in a surprisingly short time I was completely restored to health, and I have enjoyed the best of health ever since—not a symptom of my old complaint remaining. Since then, I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them While still living at Hopewell, I became agent for your father, and sold a large quantity of the medicine for him, and all who used them were loud in their praise, A child of Mr. Pickering, of Hopewell, was affilied with White Swelling in the Roe. It was a very bad case! He used your Balissim, Vebrifuge and Black Ontment which effected a perfect cure. Numerous other cases of cures effected by your valuable remedies in that neighborhood, could be enumerated if desired. I have seen enough of them to justify me in saying that your Family Medicines are the best ever presented to the public, of which I

These cases are only two of thousands which might be published. All who value their Health and Life should use these Standard Remedies, and their gure will be Complete and Permanent. Philadelphia. November 6, 1863-8m

## BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

DR. JOHNSTON has discovered the R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private discases, weakness of the back, or limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or giddiness, disease of the head, threat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible discriters arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrons to the Mariners of Ulysses, bilghting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

# YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intolect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to extasy the living lyre, may call with full confidence. \*\*MARBITAGES\*\*

MARRIAGE Mairied persons, or young mon contemplating mar riage, being aware of physical weakness, organic debil ity, deformities, &c., speedily cured. / He who places himself under the care of Dr. J. may religiously confide in his honer as a gentleman, and confidently rely upon his skill as a physician.

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are to apt to commit excesses from hot being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the pradent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFICH NO 7 SOUTH FREPBRICK ORGANIC WEAKNESS OFICE NO 7 SOUTH FREDERICK Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number Letters must be paid and contain a stamp. The Doc-tor's Diplomas hang in his office.

CURE WARRANTED IN TWO No Mercury or Nauseous Drugs.—Dr. Johnston, member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London; Paris, Philadolphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

## TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who haveinjured themselve by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either bus ness Loth body and mind, unflitting them for either bus ness, study, sociaty or marriago.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspopsy, nervous-iritability, decangement-of the digestive functions, general debility, symptoms of consumption. Mentalty.—The feartul effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distruct, love of solitude, timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vig., becoming weak, pale, pervous and emeciated, having or, becoming weak, pale, nervous and emaciated havin a singular appearance about the eyes, cough and symp

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone, a hably frequently learned from evil companions, or at as hood, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply inmediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons must before contemplating

MARRIAGE reflect that a sound mind and body are the most necessary requisites to promote conqubial happingss—Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

When the misgu, led and imprudent vatary of pleasure finds that he has imbibled the seeds of this painful disease, it the often bappens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this borrid digease make their appearancel such as ulcerated sore threat, diseased nose, nocturna, pains in the head and limbs, dimness of sight, dearfness, nodes on the whin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the hones of the nose fall in, and the victim of this a wful disease becomes a horr il object of commiscration, till death puts a period to his dreadful sufferinge, by sending him to "that Undiscovered Country from whence no traveller returns." DISEASE OF IMPRUDENCE.

The great superiority of Dr. MARKLEY'S pepular and well tried FAMILY MEDICINES is traced to the fact that they search out and eradicate the cause of disease and hence never fail to effect a permanent cure. They not only restore tone to the digestive organs, imparting a healthy action to the Stomach. Liver and Bowels, but they thoroughly purify the blood, thus permanently curing the disease by destroying its foundation A CASE IN POINT.

On the 27th of January, 1869. Trust not your lives, or health, to the careof the many unlearned and worthless pretenders, destitute of knowledge, name or character, who copy Dr. Johnston's a livertisements, or style themselves, in the newspapers, regularly educated physicians, incapable of curing, they keep you trilling month after month taking their figures and joisened compounds, or as long as the small, if we can be obtained, and in despair, leave you with ruined health to sigh over your gailling disappointment.

Dr. Johnston is the only Physician advertising.

His credentials or diplomas always hang in his office.

His remedies or treatment are unknown to all others, prepared trag: a life spent in the great hospitals of Europe, the first in the couptry and a more extensive private practice than any other physician in the world INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," "Chipper," and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afficient.
