DR. MARKLEY'S FAMILY REMEDIES TRIUMPHANT. The Great Dyspepsia Medicine and Blood-Searcher. Pr. Markley's

* DE PERMANENTLY CURED!

The great superiority of Dr. MARKLEY'S pepulyr and well tried kAMILY MEDICINES is traced to the fact that they search out and eradicate the cause of disease and hence never fail to effect a permanent cure. They not only restore tone to the digestive organs, imparting a healthy action to the Stonich, leave and Bowels, but they thoroughly parify the bloog, thus permanently curing the disease by destroying its foundation A CASE IN POINT.

On the 27th of January, 1800, Mr D. S. Moore, a Grampian Hills, Clearfield Co Pa, wrote that he was induced by the numerogst testimonials he had seen of the cure effected by Dr. Mgr.ley's Medicines, to apply in behalf of a sister, whose case he thus described:

* * * For the last six years she has been suffering from Scrottula and White swelling. In 1854 suffering from Scrotula and White swelling. In 1854 she suffered severe pain in one of her legs attended with swelling which extended from the knee to the bip. In about two months 1: broke and discharged, and has continued so to do until the present time On one occasion a piece of bone three inches in length, and at another Lime one of a smaller size, came out — Her knee has been stiff for three years, and at times the pain is very severe."

AN ENTURE CURE EFFECTED. The Medicines—the Health Restorative Balsam, the Febrifage or Black Powder, and the Black Ointment were furnished, and the result of their use is announced in the following letter: ounced in the following letter:
GRAMPIAN HILLS, PA., August 14th, 1863.
DR. G. H. MARRLEY—Dear Sir: I am bapey to inform ou that the Medicines received from you some three ears since HAVE EFFECTED AN ENTIRE CURE in

Certificate of MR. ABNER D. CAMPBELL. of the firm of Campbell & Marshall, Boot and Shoe dealers, Centre Square.

LANCASTER, P.A., March 4, 1863.

DR. G. H. MARELLY—Dear Sir: It affords me much pleasure to have an opportunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspersia in its most aggravated form; my system having become so much deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My sufferings can be understood by any one suffering from the same disease, but they could not be described in word. I was then living at Hopewell, Chester County, and in 1857, as a last resort, I commended the use of your medicines. They soon afforded me relief from the most painful symptoms which I had scarcely hoped to obtain; and in a surrolsingly short time I was completely restored to health; and I have always kept your medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them While still living at Hopewell, I became agent for your father, and sold a large quantity of the medicine for him, and all who used them were loud in their praise. A child of Mr. Pickering, of Hopewell, was affected with White Swelling in the knee. It was a very bad case! He used your Balsam, Febrifuge and Black Olntment which effected a perfect cure. Numerous other cases of cures effected by your valuable remedies in that neighborhead, could be enumerated if desired. I have seen enough of them to justify me in saying that your Family Medicines are the hest ever presented to the public, of which I have had any knowledge; and it is no less my pleasure then my duty to recummend, them to all who are

These cases are only two of thousands which might be pathlished. All who value their Health and Life should use these Standard Remedies, and their cure will be Complete and Permanent. BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN BE OBTAINED:

PR. JOHNSTON has discovered the R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidners and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, continuion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight or giddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, atomach or bowels—those terribuldisorders arising from the solitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrons to the Mariners of Ulyses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senatos with the thunders of eloquence or waked to ocstasy the living lyre, may call with full confidence. MARRIAGE.

Married persons, or young mon contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places hinuself under the care of Dr. J. may religiously confide in his honor as a gentleman, and

Immediately cured, and full vigor restored. This di tressing affection—which renders life miserable an marriage impossible—is the penalty paid by the victim marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost scoper by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both hopdy and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indirection, constitutional debility, a wasting of the frame, cough, consumption, decay and death OFICE NO 7 SOUTH FREDERICK STREET.

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number Letters must be paid and contain a stamp. The Doc-tor's Diplomas hang in his office.

CURE WARRANTED IN TWO No Mercury or Nauseous Brugs.—Dr. Johnston, member of the Royal College of Surgeous, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhera, has effected some of the most astonishing curse that were ever known; many troubled with ringing in the head and errs when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselve by improper undulgence and solitary habits, which rule both body and mind, unfitting them for either bus ness by improper industrience and sortary hards, which thin both body and mind, unfitting them for either bus ness, study, society or marriage.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the back and limbs, pains in the head, digmessof sight, loss of muscular power, palpitation of the heart, dyspepsy, nervous irritability, decangement of the digestive functions, general debility, symptoms of consumption.

MENTALLY.—The tearful effects on the minu are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, cvil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, bosing their vistor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

YOUNG MEN Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when askeep, and if not cured renders marriage impossible, and destroys both mind and body, should spank immediately. nightly last, even when asseep, and it not rules renears marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and Indulging in certain secret habit. Such persons must before co

reflect that a sound mind and body are the most ne-cessary requisites to promote commubial happiness— Indeed, without these, the journey through life becomes nuevel, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the riow; the mind becomes shadowed with despair and filled with the metancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE. When the misquided and improdent votary of plea-ure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrld disease make their appearancel such as ulcerated sore throat, diseased nose, nocturna, pains in the head and limbs, dimness of sight, deafness, nodes on the shin lones and arms, blotches on the head, face and extremities, progressing with frightful raphility, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this a wful disease becomes a horrli object of commiscration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returns." disease, it too often happens that an ill timed sense of ing nim to "rate tomasovered county from whence no traveller returns,"

It is a melancholy fact that thousands full victims to this terrible disease owing to the unstillfulness of ignorant prefenders who, by the use of that deadly polacon, Mercury, ruin the constitution and make the regidue of life miserable.

STRANGERS STRANGERS

Trust not your lives, or health, to the care of the many unleavned and worthless pretenders destitute of knowledge, name or character, who copy Dr Johnston's a lvertisements, or style themselves in the newspapers, regularly odnested physicians inrapable of curing, they keep y un trifling month after month taking their filthy and pedsonous compounds, or as long as the smallest ecan be obtained, and in despuir, leave you with ruined health to sigh over your gailing disappointment.
