Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will protend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. TAKE PARTICULAR NOTICE. Dr. J. addresses all those who have injured themselve by improper indulgence and solitary habits, which ruin both body and mind sunfitting them for either bus ness

These are some of the sad and melancholy effects
produced by early habits of youth, viz: Weakness of

DISEASE OF IMPRUDENCE When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill timed sense of shame, or dread of discovery, deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horsel disease make their appearance, such as alcerated for throat, diseased nose, nocturus, when it is the head and times dimeased who dished definess symptoms of tong norgal disease make their appearancel such as ulcerated/forthroat, diseased nose, nocturus, pains in the head and limbs, dimness of sight, deafness, nodes on the shin hones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the hones of the nose fail in, and the victim of this a wful disease becomes a hoprit object of commiseration, till death puts a period to his dreadful sufferings, by sending him to "that Undiscovered Country from whence no traveller returus."

It is a melancholy fact that thousands fall victims to this terrible disease, owing to the unskillfulness of ignorant pratenders, who, by the use of that deadly poison, Mercury, ruin the constitution and make the residue of life miserable.
