BALTIMORE LOCK HOSPITAL. ESTABLISHED AS A REFUGE FROM QUACKERY THE ONLY PLACE WHERE A CURE CAN

BE OBTAINED: R. JOHNSTON has discovered the most certain, speedy and only effectual remedy in the world for all private diseases, weakness of the back or limbs, strictures, affections of the kidneys and blador limbs, strictures, affections of the kidneys and bladder, involuntary discharges, impotency, general debility, nervousness, dyspepsy, languor, low spirits, confusion of ideas, palpitation of the heart, timidity, tremblings, dimness of sight oregiddiness, disease of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—those terrible disorders arising from the soilitary habits of youth—those secret and solitary practices more fatal to their victims than the song of Syrons to the Mariners of Ulyses, blighting their most brilliant hopes or anticipations, rendering marriage, ac., impossible.

YOUNG MEN Especially, who have become the victims of solitary vice, that dreadful and destructive habit which annu-ally sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to costasy the living lyre, may call with full confidence.

MARRIAGE Married persons, or young mon contemplating mar-riage, being aware of physical weakness, organic debil-ity, defermities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

Immediately cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becames deranged, the physical and mental functions weakenea, loss of procreative power, nervous irritability, dyspepsia, publication of the heart, indigetion, constitutional debility, a wasting of the frame, cough, consumption decay and death OFIGH NO 7 SOUTHA FREDERICK ORGANIC WEAKNESS OFICE NO 7 SOUTH FREDERICK STREET

These are some of the sad and melancholy effects produced by sarly habits of youth, viz: Weakness of the back and limbs, pains in the head, dinness of sight, loss of muscular power, palpitation of the heart, dyspepsy, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption.
