MARRIAGE

Married persons, or young mon contemplating mar-riage, being aware of physical weakness, organic debil-ity, deformities, &c., speedily cured. He who places himself under the care of Dr. J. may roligiously confide in his houor as a gentleman, and confidently rely upon bis skill as a physician.

ORGANIC WEARNESS Immediately cured, and full vigor restored. This dis tressing affection-which rondors life misorable and marriage imposible—is the penalty paid by the victims of improper indulgences. Young persons are to capt to commit excesses from not being aware of the dreadful consequences that may ensue Now, who that under-stands the subject will pretend to deny that the power of procreation is lost scouer by those failing into im-proper habits than by the prudent? Besides being de-prived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise.
