That it is far superior to er o have given it a trial. bine virtu s traly extraordinary in their effection this class of complaints, is indisputable proven by the great multitude of publicle known and remarkable cores it has made of the following diseases: King's Evil or Clandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas. Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuherculous denosits in the lungs. Minute reports of individual cases may be found in Ayer's American ALMANAC, which is furnished to the druggist for granuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sec tions of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Surseparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lark within the system or burst out on any We know the public have been deceived by many compounds of Sarsuparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there have been proven by abundant trail, and there remains no question of its surpassing excellence for the cure of the afflicting discuses it is intended to reach. far more effectual than any other over been available to them.
