al gentlemen, who shortly after that occurwith him, say he admitted that Sherman had captured Macon and Milledgeville, and that tion of supplies is a very important one, there was little, if any doubt, from the raptured Augusta; and that he would encounter nothing serious to impede his march to the **VIII**. The organization at once of a **VIII**. The organization at once of a **VIII**. The organization of the pre-traction of the preid progress he was making, that he had capseaboard; that with Augusta in his possession the south-west would be cut off from Richmond, and that no troops could be sent from Lee to reinforce Savannah. Gen. Pryor talked freely and apparently with frank-ness, remarking that the South now regard-ed Gen. Sherman with more alarm than any other officer in the service of the Cuities Mill not be delayed after reaching bad places. Also army com-manders should study the habit of giving arding Sherman's movements. He further said it was reported that Sherman had liker-atted a number of Union prisoners and armed there troops to assist wagons the an uniber of Union prisoners and armed there troops to assist wagons the instruct their troops to assist wagons mond, and that no troops could be sent from Lee to reinforce Savannah. Gen. Pryor 6-liter the advance unured should to remit stock of goods. ated a number of Union prisoners and armed them, but that this rumor needed confirmation.

## \_\_\_\_\_ Sherman

That it is possible for a Union army te abandon its base of supplies, to give up its communications, and entirely self-dependent, to move unopposed into the heart of the enemy's country, is alone proof that the rebellion is indeed the hollow shell which Mai General Grant declared it. Sherman is now beyond the help of the Government, and so far from the loyal border that we hear of the Cown and County Matters. progress of his march only by the vague reports of rebel journals. We guess from the Persons who intend to purchase C. G. Russell (formerly Miss M. C. Ellinger) alarm of the foe the success of his movement. property would do well to examine that most | together with our old friends, the "Contiand, for the first time in the war, get all our news of the great Union army by the way of Richmond. If we may judge by the flut toring of the doves, the eagle is far into the

cots. No rumor of failure of Sherman deserves 1.0v. 25--3t. the slightest credit. The robel report which left him within eighteen niles of Macon was a virtual assurance of his perfect safety. And to call attention to the advertisement of it may be added that the advance into Geor SANULE DILLER, Administrator of W. T. gia would never have been ordered if it had involved any risk. But, Sherman will find KENNEDY, as corrected in this week's issue no army on his march to Augusta, and all There was a slight error in the date as pub-the impediments to his progress the rebels lished in hand bills and our paper of last may interpose will only serve to show the weakness of their forces. Bold as the adsecond on the 17th. vance may be, it is not so hold as it seems. It is the natural result of the capture of At-lanta and the siege of Richmond. The central gates of the Confederacy have been burst open, and the armies that enter find no forces to contest their passage. For the pre-sent we must be content to loose sight of Sherman in the darkness of the rebellion ; it will not be many days before the splendid rays of his victories will disperso the clouds that now surround him.

The Rev. Samuel Philips' New

THE VOICE OF BLOOD.

THE SPHERE OF NATURE AND OF THE SPHE IT WORLD: ITS TYPICAL AND PROPHETIO UTTERNACES AS THE MOUTHPIECE OF GOD AND OF MAN: ITS OUTCRIES AGAINST 'MAN AND IN HIS BEHALF.

By Rev. Samuel Philips, A. M.,

Pastor of the Reformed Church, Carlisle, Pa., Auditor of "Genthsemane and the

Cross," "The Christian Home."

Cross," "The Christian Itome." The object of this work is to popularize the theory of of luman Redemption through Blood from a pay s andpoint; to present its historical and practical af-peets in an attractive form, suited to the task of thy canoni reader. The suiject is novel, yet emboundy is beipural, and adapted to that nee of stife fail bloodshed in which we now live. The Conton's of this volume will convey an idea of its abarater and design. The following are the Ohaptens of which the -proof its composed:
