Browning's Excelsior Coffee.

Whilst 'rying Coffee of all the various brands. Remember "Browning's Excelsior"—at the head ! tementer stands, stands, stands, irue, it's not like others that are "Sold Everywhere." A little stretch, we all to know, good goods wil. easily (But a stretch like this—"sold everywhere"—is very apt to tear)

Now, I can safely say, w thout any hesitation.

There's none like "Browning's Excelsior" in this onlightened nation.

Skilled chemists have not found a Coffee from any store Possersing the same ingredients as "Browning's Excelsior." Yor is there any one, in or out of the Coffee trade,
Who knows the articles from which "Browning's Excelsion's" made. I'm told it's made from barley, r.e, wheat, beans, and Name a thousand other things-but the Right One is you please.
But with the Coffee-mon I will not hold contention mention.
Whilst they're engaged in running round from store to To learn the current wholesale price of "Browning's Excelsior,"

Some who know my Coffee gives perfect satisfaction, thave formed a plan by which they hope to cause a quick reaction.

The case—'tis with a few; no doubt 'twill be more—To name their Coffee after mine, (Browning's) Excelting oname their Coffee after mine, (Browning's) Excelsior, ane say their's the only brand that will stand a ready test.
ow, try a little of them all—see which you like th

best.
Thies years have passed away since I first sold a store;
Never have I is your paper advertised before;
Nor would I now, or ever consent to publish more,
If like some used by "averybody," "sold everywhere," in "every store."
A trade like this 1 d. not wish; the orders 1 could not fil:
The factory all Jersey's land would take—leave not a tout t till.
My trade is not so very large; still I think I have my share, But, reader, you may rest assured, 'tis not ' soil IF YOU HAVE FOUND ANYTHING everywhere."

Manufactured and for sale by the writer, GEORGE L. BROWNING, No 20 Market St., Camden, N. J. No 20 Market St., Camdon, N. J.

This Coffee is not compassed of polsenous drugs, it contains nothing deleterious; many persons use this Coffee that cannot use the pure coffee; it takes but one and a half ounceste make a quart of good strong coffee, that being just one-half the quantity it takes of Java Coffee, and dways less than hift the price.

Retail Dealers may purchase it in less quantities than ted gross at my prices from the Wholesale Grocers.
