11. H. GROVE & SON. contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing views, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the Opposite the Carlisle Deposit Bank. fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the charge gualities articles. inings, Scrottin produces tabercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, cruptive and cutaneous affections. These all having the same origin, require the same energy vir purifications. affections. These all naving the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does com-bine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Ery sipelas. Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and

Syphilitic Infections, Mercurial Diseases Female Weaknesses, and, indeed, the whol series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists r gratuitous distribution, wherein may be earned the directions for its use, and some of ne remarkable cures which it has made when all other remedies had failed to afford rebef. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its tatal results than are healthy constitutions. Hence it tends to shorten, and does

greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYLR'S SARSAPARILLA, although it is com posed of ingredients, some of which exceed the best of Sursaparilla in alterative power. By its aid you may protect yourself from the suffer ing and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculing virtues this remedy stimulates the vital func-tions, and thus expels the distempers which lark within the system or burst out on any part of it.

We know the public have been deceived by

many compounds of Sarsapavilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is in tended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done. Prepared by DR. J. C. AYER & Co.,
