crimsoning with the suffusion of native modesty; "there is some one. Eli Prich ard, who keeps the store, used to sit up with me, and he'd be awful mad if he knew I was going to marry James, here!" This is the end of my story, but for the young damsels who may read this column, I will add that they were married in less than five minutes, and their nu merous children now play about the sawmill on fine days.

NOBLE BLOOD -Mr. Dickens, in his ('hild's History of England, gives the following slap in the face at some of the greatest of the nobility in England. In Charles the Second's time, he says:

"The whole Court was a great flaunt ng crowd of debauched men and shameless women; and Catherine's 'merry husband' insulted and outraged her in every possible way, until she consented to receive those worthless creatures as her very good friends, and to degrade herself by their companionship. A Mrs. furniture. And there, at the ancient Palmer, whom the King made Lady Castlemaine, and afterwards Duchess of Cleveland, was one of the most powerful Figure to yourself, my dear reader, a of the bad women about the Court, and man haraly past the dinner-time of life, had great influence with the King nearly people held their noses, and the Johns yet bearing on his thoughtful brow those all through his reign. Another merry lady, named Moll Davis, a dancer at the theatre, was afterwards her rival. So A man, whom seeing, one might say, was Nell (twyn, first an orange girl and "here is something that is not as if it had then an actress, who really had some in the Parliament of Belgium, which re- vents his entrance. We know of several was iron, his thigh and legs clay his feet not been the something it is." You have good in her, and of whom one of the calls some of the most unpleasant events ladies who would like to purchase such The fire in the grate flickers and flares | The first Duke of St. Albans was this of De Laet, who represents the large, Come and see. And the people cried A back-log, burnt in twain, falls asunder, orange girl's child. In like manner, the wealthy, and influential city of Antwerp, C. S. A.—Grinolinum Skirtum Absquatupon their father, and he answered and with one voice, Away with such men from and a spire of lambent flame leaps up with son of a merry waiting lady, whom the and who is regarded as one of the forea fitful glare. Ratits sudden flesh of King created Duchess of Portsmouth, most politicians of the country, accused And the Johns raised the covering light you can see that this man, calm became the Duke of Richmond. Upon the Ministry of provoking the hostility BRIGHAM YOUNG is a widower—at least half ditto, Homp and lette, Home and Househole, a commoner."

DUELS AMONG PUBLIC MEN.

worst things I know, that she actually in English and American history. A dogs .- Exchange. does seem to have been fond of the King. | member of the Lower House, by the name |

of the Belgian King. In the course of his remarks, he asserted that the officers of the Government had granted permits to emigrants for Mexico, which were so worded that the holders could be shot as deserters unless they joined the army of Maximilian, upon their arrival in the distracted country of their destination. Hereupon the Minister of War, Baron Chazal, became exceedingly irate, and declared that the man who made such an accusation could alone be capable of performing such an act of "infamy."-The deputy from Antwerp appealed to The following letter was captured the chair, asking to have the Minister obtain satisfaction in this way, the deputy challenged the Minister.
