

CARLISLE, PA Friday, June 23, 1865.

S. M. PETTENGILL & CO., TO. 37 Park Row, New York, and United State St. Boston, are our Agents for the Hiroft in those cilies, and are authorized to take Advertise cais and Subscriptions for us at our lowest rate.

The arguments of counsel before the Ben. Wood, of the New York News was and Wood's endorsement on the back of it) six hundred and thirty thousand men. was sworn to by witnesses familiar with his signature. The check was dated whilst Wood was a member of the last Congress, and there is little doubt was a subsidy paid and denote: the number of teamsters and a result. A good soldier cannot be a bad in existence. All the evidence now in.

REVOLUTION IN SAN SALVADOR .- Additional intelligence regarding the revolution in the Republic of San Salveffor has been received. President Duenas has issued a rochamations declaring martial law throughout the country; announcing that the rebellion, though unimportant, and receiving no assistance or countonance except in a very small prejudicial, and granting pardon to these surrectionists, but not yet taken arms in their behalf. The people were rapidly coming forward for the support of Duchas. The revolution broke out on the 15th of May, under the leadership of Gen. Cabanas, at San-Miguel, which place was captured without

REBEL OFFICERS. - A number of the most prominent Generals and Engineers of the Confederate armies, for the moment uneasy. leans Picayune says, contemplate going to Brazil, where they expect to find a more independent home and better employment for their skill and talent. The Picagane also learns that the same movement is contemplated by officers and engineers of the Confederate navy, with whom, personally nequainted as they are with the Brazilian shores, the idea most probably originated. It is, likewise, said that many of the rank and file, both of the army and navy, ap prehensive of the difficulty of getting empley. ment, and following the example of their (the Picayune adds,) are the more upprehensive for the future, becau-e of the fact that before secession they belonged to the United States army, or were in service under the Government. It is doubtless true that such persons, if they desired it, would not be General Orders, given to the mass of the

Confederate army, to resume their former avocations in life. If these retel officers cannot put themselves down to honest labor and become industrious and good citizens of the United States, the celling the bond, &c, the executorshould pay same manner that the pirate Braine got the bas not yet been determined upon in all cases. best thing they can do for the country is to the tax on behalf of the party benefitted, best of them last year. These runnways do get out of it. There are plenty to take their who should, of course, see that the executor not visit Bermuda to make holiday with

THE RETURNING MASSES. It is stated, and we presume truly, that two undred thousand more United States troops

are to be forthwith sent home and mustered uit of service. These, it is said, will be mostly about completed, a dispatch from Washington tells us that one hundred and fifty thousand men have been sent home from that to be mustered out, will aggregate three hunhomes. If to these we add the rebel troops surrendered in all parts of the South, some total of five hundred and fifty thousand. But this is not all. We had in our custody some

sixty thousand rebel prisoners, all of whom Conspiracy Court at Washington were not are in process of discharge and transportation commenced on Friday as expected. Some home. At the lowest estimate, the number important additional evidence was produced of Union prisoners in the South who have channels of it dustry. Many of them have by the Government A draft for \$25,000 (been returned to their homes during the last drawn by Jacob Thompson, the rebel finan- three months, cannot have been less than every true friend of the returned soldier will cial agent in Canada, rayable to the order of , twenty thousand, so that some eighty thousand prisoners North and South are to be put in evidence. The draft had been paid, added to the aggregate, which thus reaches Many, who in time of war were not con-We regret that we have no means of estimating the number of men discharged from

It is amusing to see with what confidence and assurance such fellows as Mitchell and Sanders dictate terms to the Democracy, as if they felt themselves to be the legitimate guardians and leaders of the Party. Per haps they are.—Pittsburgh Gazette.

Latest Oil Strikes.

It is asserted by those who oppose negro suffrage, that the Southern whites are opposed to it. Take away this argument, and no one in the North will be so foolish as to offer opposition to the measure. We do not know what is the real opinion of the majority of the Southern whites on the subject. We doubt if any one does. We do know many Southern men who are strongly in failured as suffrage, that the Southern whites are opposed to it. Take away this argument, and no one in the North will be so foolish as to offer opposition to the measure. We do not know what is the real opinion of the majority of the Southern whites on the subject. We doubt if any one does. We do know many Southern men who are strongly in failured as sixty-five, and of the independence of the United States the eighty-ninth. The Vanango Uitizen gives the following put to the witnesses. The Norfolk papers do not publish the indictments or give any other fact concerning the court, except that we believe it possible, with proper and judivor of negro suffrage, and many others ho we believe it possible, with proper and judicious efforts, such as we have spoken of above to set the majority of the Southern people right upon this important question in a very short time. And in any effort for this purpose, we have this in our favor, that the loyal Johnson, and the State of Texas for that whites in every Southern State will favor general suffrage, perforce, to save thems 1.
