RELIEF IN TEN MINUTES.

Bryan's Pulmonic Wafers! The original Medicine established in 1837, and first article of the kind ever introduced under the name of "PULMONIC WAPER," in this or any other country, all other Pulmonic Walers are counteriets. The genuine can be known by the name BitYAN being samped on each Wafer.

These Wafers have been before the public for nearly thirty years, and the immense sale attained, not only in smerica but in loseign countries, fully atter their lotringic worth. The medical properties are superior any other a ticle offered for the cure of Pulmonary or Bronchial affections, and the quantity contained in each box is nearly double that of the many worthless institutes according.

Bryan's Pulmonic Wafers cure Coughs, & Ida, Sore Throat, Hoarseness, Ashmacanerh, brouchitis, Difficuit Breathing, splitting of Blod, Pales in the whest. I cipient consumption and ail dis-asses of the longs. Not only affording temporary relief, but effecting a rapid and lasting cure and are warranted to give satisfaction in ver instance. They do not nauseate like accoholic compounds and the medicinal in-perties are combined in a form so a greather and pleasant to the taste, that any child will readily take them. One dose will always afford RELIEF IN TEN MINUTES.

To Vocalists and Pusice Speakers, these Wafers are peculiarly valuable: they will in one day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, g eatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

The very great celebrity of this invaluable remedy has induces unprincipled persons to prepare base imitations, which disappoint the just expectations of the purchaser, and injure the character of the gonuine medicine. see that the word, "BRYAN,' is stamped on each Water and also observe the fac simils of the signature of the Proprietor "JUB MUSES" on each weapper, to counterfeit while is forgery. An Offending parties will be dealt with to the full extent of the law Batan's Pulmonic Waress are for sale by all Druggists. JoB MOSKS, Sole Propyletor, 27 Cortlandt St , N. Y. Jan. 12, 1866—1y.

BIR JAMES CLARKE'S CELEBRATED FEMALE PILLS. Prepared from a prescription of Sir J. Clark, M. D., Physician Extraordinary to the queon. THIS well known medicine is no imposition, but a sure and safe remedy for Female bificulties and obstructions, from any cause whatever and although a powerful remedy, it contains nothing intritul to the constitution.

To Married Ladles it is peculiarly suited. It will, in a short time, bring on the monthly period with regularity. a short time, bring on the monthly period with regularity.

In all cases of Nervous Spinial Affections, Pain in the Back and Limbs, Havriness, Fatigue on slight exertion. Pa pliation of the Heart, Lowness of Spirits. Hysterics, fick Hoadache. Whites, and all the painful diseases occasioned by a dis refered system, these Pills will effect a cure when all other means have failed.

The se Pills have never been known to fail where the directions on the 2d page of pamphilet are well obse ved. For further particulars, get a pamphiet, free, or the agent. \$1 and 0 postage s amps enclosed to any authorized agent, will insure a bottle, containing over ou pills, by return mail.

Headley's History of the Great hebell.on. THE late Rebellion stands out peculiar and extraordinary in human even's; and t e grifficent cale upon which the war has been con-cied, constitute it one of the GRAAD SE NI) ST ERILLIANT CHAPTERS OF THE WORLD'S

HISTORY.

Mr H adiev, of all writers, is perhaps hest qualify of a portray the stunend us features of the michty contest. His previous works on less momentous themes have placed him in the first position, as a graphic and powerful delineator of was screes and characters and the magnitude and grandeur of the present sulject impart to his per the first anylor of a yet more extended inspiration, and furnish ample scop for the high est exhibition of his peculiar goalus for military description. Under his powerful per the tirring scones fittle War pass in follow with the vividness and distinctness, of a present and living reality; while his great taiont for condensation enables him to embody everything of importance in a c mpass just suited to THE partnership heretofore existing great taiont for condensation enables him to embed everything of importance in a compass just suited to the public wars. From no other source can so clear and comprehensive an impression of the grand march of events he obtained, so easily and agreeably, as from Ma. Headley's work.

Other there is a have been issued before Grant's Report and other official Documents were submitted to the Government, and are therefore unremable. Mr. Headle, has delayed the completion of this till these 100 UNENTS so ESSENTIAL to AUTHER ICUTY and CORRECTNESS could be obtained.

The Second Volume courly ting this Work, will be issued in March 1866 Agents wanted on cage in its sale in every town and county in the United States, laberal inducements offered. For particulars apply to or address, BPICES, Wooden and Willow Ware, and overy variety of goods kept in a first class Family Grocery.

January 5, 1866—1y.

UR most momentous, arduous struggle having resulted in the triumsh of American Peach of the utter discomfitur, and everther work seemed he suffer and everther will had been the revented to the grand, benfinant victory by rendering Liberty and Opportunity the comm in heritage of the whole American People now and everther will reside in first on the suntation of the Southern States to the in former power and influence in our Union on the basis of All lights for All their People.

It will labor in the riumeh of American People now and everther will reside the substitution of the Southern States to the informer power and influence in our Union on the basis of All lights for All their People.

It will labor in the riumeh of American People now and everther wo find the rivers to the popular value of the whole and everther wo for the construction of the Southern States to the increase of thousand the property and Opportunity while comment the popular value of the restoration of the Southern States to the increase of the function of the Southern States to the increase of the function of the Southern States to the increase of the function of the Southern States to the increase of the function of the Southern States to the increase of the substitution of the Southern States to the increase of the function of the Southern States to the increase of the function of the Southern States to the increase of the substitution of the Southern States to the increase of the substitution of the Southern UR most momentous, arduous struguration, Manu actures, the Useful Art, &c., &c. throughout every portion of our country, but especially throughout the sections hitherto devold of them believing that every good end will threeb be subserved and the interest of every useful and worthy class promoted. iass promoted. It will urge the Protection of Home Industry by dis In A gricultural Society of Cumber-land County, has directed us to dispose of "(') aries Harris," who is a thorough bred horse, purchased for the Society in 1860. In Kentucky. His pedigree is perfect and will be exhibited by any member of the Committee to any one disposed to purchase the horse. His get now here gives evidence of the value of the horse, for his colts us all superior. He will be ten years old next April. and perfectly sound He would be a desirable purchase for any County Society, and is now sold only because his colts require another horse Application may be made to either of the Committee.

class promoted.

It will urge the Protection of Home Industry by discriminating duties on Foreign Products imported with a view to drawing hither the most agable and skill ful artificers and artisans of Europe, and the naturalizing on our soil of many branches of production hither all but confined to the old World, while it would strengthen and extend those which have already a foothold among us.

It will give cafeful attention to progress and improvement in Agriculture, doing its best at once to bring marke's to the doors of our farmers and teach them how to make the most of the opportunities thus afforded them.

It will devote constant at ention to Markets, especially for Agricultural Products, with intent to save both producer and consumer from being virtualized by the speculator and forestaller.

And, giving fair scope to Current Literature to the proceedings of Congress, and o the general News of the Day, it hopes to retain its old patrons and attract many new to bear them emeanly.

We rarely employ traveling ageries, as so many impostors are habitually prowling in the assumed capacity of solicitors are journals. We prefer that our subscribers shall pay their money to persons they know and of whose integrity they are assured. Any friend who believes he will do good be increasing the circulation of The Tanunus is authorized to solicit and receive subscriptions. Specimen c pies will be promptly sent without charge to those requiring the m, and we trust many friends will be moved to ask their neighbors and acquaintances to join in making up their clubs.
