Omission.-Last week we inadvertently omitted the name of J. B. LEIDIG, as one of the directors in the First National Bank of Carlisle. We have inserted his name in the column of local information on our

· first page. By the way the changes which are constantly occurring the officers and boards of our different corporations and associations should be promptly reported to us by the parties interested-there are really some things which are not dreamt of in an Editor's

Burning of Moscow.—Our readers will doubtless be gratified to learn that the favorite entertainment of the Diorama of the Burning of Moscow, Dioptic Painting and Ventriloquism, by the celebrated humoril, Mr. Gallagher, will be given three evenings, Friday, Saturday and Monday .-We bespeak for it, as it had here before in Carlisle, full houses and gratifled audiences.

THE GREAT SUPPER. - The supper in Rheem's Hall, for the benefit of the first M. evening as advertised. We had the 'honor of attending this entertainment and can fully attest the fact that it was emphatically a grand affair. Four tables extending the en tire length of the spacious ball were loaded down with the choicest viands; and these ample boards were filled to their utmost capacity three several times. It is certain that considerably more than five hundred delighted guests partook of this generous feast and went away blessing the projectors, managers, caterers, and the good old church in whose behoof the enterprise was undertaken · Gon. Todd made a very happy, little speech and the Carlisle Brass Band furnished excellent music. In our next we will give the pecuniary result of the supper and festival.

GREAT OAKS FROM LITTLE ACORNS GROW. FHE worst diseases known to the human race spring from causes so small as to almost dery detection. The volumes of scientific fore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close. Magnetic Bithous, Dysperio and Diarrike Pills cure where all others fall. While for Burns, Scalds, Chilblains, Outs, and all abrasions of the skin, Magnet's Salve is infallible. Sold by J. THE LIGHT OF THE WORLD. DR. MAGGIEL'S

Hurrah f r the skating pond!": cried Blily Bates, Jome, hurry, up poet and bring out your skates." Jor the pond we both hurried, and soon we were h mong many "foine fellows" and ladies so fair. PILLS AND SALVE. ow here a young lassless sharp as a Knife; he seemed to be fond of the racy in life; celared, "All the charms of a wife I will bring o the skater who does the most wonderful thing!" Life giving Pills! I've travelled the land and have sailed the wide of I've seen many sights that have caused a common But I pledge you my word that about in a trice. There followed the biggest thing ever on ice.

All the men were in glory, the ladies were high, Each tightened his skates while he loosened a sigh; When all, at a sigh from this beautiful queen, Did oddest and rarest things over were seen. One-chap cut an angel and put on the wings, Another cut elephants, camels and rings, One follow went backward and drew a bouquet, Buta clown of repute made a greater display. For in every case they add new life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and sterling medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and nover found. He looked for a fountain that would restore the old to vigor and make youth ever Now here was excitement for all the gay folks— Must the lassic have him who would thrive by jokos?
So it seemed for a while; but a youth who was tall.
Did a trick that soon faded the laurels of all.

What think you be did? We will speedily show, He carved out the name of Perry & Co., And to crown the performance—the greatest, by far He cut at the end a most beautiful star. The people all shouted and opened their eyes, The lassic declared he had borne off the prize And as a finale to what was so cute, The men went to Perry & Co. for a suit. A large portion of our stock having been damaged by water on the night of the late de fire we are now selling off regardless of cost.

Headley's History of the Great Rebellion. HE late Rebellion stands out peculiar and extraordinary in human events; and the magnificent scale upon which the War has been conducted, constitute it one of the GRANDEST AND MOST ERILLIANT CHAPTERS OF THE WORLD'S ducted, constitute it one of the GRANDEST AND MOST BRILLIANT CHAPTERS OF THE WORLD'S HISTORY.

Mr. Headloy, of all writers, is perhaps best qualified to portray the stupendous features of the mighty contest. His provious works on less momentous themes have placed him in the first position, as a graphic and powe ful delinenter of war scenes and characters, and the magnitude and grandeur of the present subject, impart to his pen the die and vigor of a yet more exalted inspiration, and furnish ample scepe for the highest exhibition of his peculiar genius for military description. Under his powerful pen the stirring scenes of the War pass in roview with the vividness and distinctness of a present and living reality; while his great tailout for condensation enables him to embody everything of importance in a compass just suited to the public want. From no other source can so clear and comprehensive an impression of the grand mages of ovents be obtained, so easily and agreeably, as from Ma. Headley's work.

Other Histories have been issued before Grant's Report and other Official Documents were submitted to the Government, and are therefore unreliable. Mr. Headley has delayed the completion of this till those DOUMENTS so ESSENTIAL to AUTHINNTICITY and CORRECTNESS could be obtained.

The Second Volume. completing this Work, will be issued in March, 1866. Agents wanted to engage in its sale in every town and county in the United States. Liberal inducements offered. For particulars apply to or address,
