For the Carlisle Herald.

M. E. CHURCH FESTIVAL. MR. EDITOR-The Committee of Arrange ent of the Methodist Episcopal Church o Carlisle are desirous, through your columns, of tendering their grateful acknowledgments to the citizens of town and country for the very many liberal donations of money, gro-ceries, beef, poultry, flour, cakes, and pro-visions of all kinds, and also for the presence of so goodly a number of ladies and gentle men at their Supper and Festival. The Committee would particularly thank the ladies and gentlemen whose untiring labors contributed so materially to the success of their enterprize—and also to the Carlislo Brass Band, whose delightful strains added much to the festive scene. They desire, also, to thank the Good Templars for the use of their lodge on Tuesday evening-and with them those friends whose kindness enabled them to spread so munificent a table-also to the proprietor of the Hall for the many accommodations tendered them. The Committee would also express their obligations to the editors of the Herald and Volunteer for the notice so kindly given of their Supper Truly our lines have fallen in pleasan places, and the church (that old "Ship of Zion,") which has long been among the breakers, we trust will soon be able, through

the liberality of a Christian community, to anchor in safety.

May the blessing that came to the house of Obed-edom rest with the Church at large, and on all who responded so promptly to our call for present help, and as our indebtedness is yet large, we trust the same spirit of kind ness will still continue to be extended to us. until our blessed Church be relieved from all pecuniary embarrassments. REMOVE YOUR BAD BREATH? A foul breath is one of the most unpleasant things a man or woman can be afflicted with. It makes your friend turn away his head from you when you speak closely to him. It makes the hady who would otherwise love you wonder why you do not get rid of a defect so offensive. For you can easily drive it away in, at least, nine cases out of ten. Radway's Regulating Pills we have known to render a breath sweet in a short time which, for years, was not to unendurable. Some at least, nine cases out of ten. Radway's Regulating Pills we have known to render a breath sweet in a short time, which, for years, was next to unendurable. Sometimes a bad breath arises from decayed teeth, and sometimes from the foul condition of the gums. A tooth brush and scap, a little magnesia, a bit of alum, quickly remove the cause in such cases, and with it the wil. But in a majority of instances a fettle breath is occasioned by a disordored stomach, and that will only yield to a suitable use of Radway's Regulating Fills. The judicious use of these pills renders all the secretions beatthy, and gives such tone and vigor to the stomach that, even if the teeth are decayed, the aroma from them becomes imperceptible. The odor of good health, so to speak, neutralizes the door of dissolution, and the slightest application of magnesia now and then to remove the tartar from the teeth. leaves the mouth in an enviable state of purity. No young lady need fear the effect of a kies stolon from her lips by a fastidious lover, If Radway's Regulating Pills have been her-sellance, not shock his good taste, Por what is more fascinating than a breath redolent of 'Arabia's roses?' Yet Radway's Regulating Pills are only 25 cents a box. N. B.—Dr. Radwayls Pills are clegantly coated with gum, and free from taste or smell. They are the only vegetable substitute for calomel or mercury known. They purge thoroughly, without producing cramps, pains, nausea, or vomiting. If used when affilicted with Liver Complaint, Dyspepsia, Contiveness, Constipation, Indigestion, Billousness, Janudice, a cure will follow. Soid by druggists.

Special Notice. GREAT OAKS FROM LITTLE ACORNS GROW HE worst diseases known to the human race spring from causes so amall as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Then guard yourselves while you may. The smallest plumbe on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at lasf, and death be the result and final close. Maggir's and there fall.
