THE AMERICAN JEWELLERS' ASSOCIATION calls your attention to the fact of its being the largest and most popular Jewellery Association in the United States. The business is and always has been conducted in the most candid and bonorable manner. Our spidly increasing trade is a sure guarantee of the approclation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden termination of the late war has caused the failure of a large rich, elegant and costly goods. The sudden termination of the late war has caused the failure of a large number of houses at Nassau, N. P., who were extensively engaged in running steamers through the block-added ports, oblighing them to sell their goods at a great sacrifice, in some instances less than one-fourth the cost of manufacturing. We have lately purchased very largely of those Bankrupt Goods, at such extremely low prices that we can afford to send away Finer Goods, and give better chances to draw the more valuable prizes than any other establishment doing a similar business. OUR AIM IS TO PLEASE, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than One Dollar, retail, and there are no Blanks. 23. The original Medicine established in 1837, and first article of the kind ever introduced under the name of "PULMONIO WAFERS," in this or any other country; all other Pulmonic Wafers are counterfeits. The genuine can be known by the name BRYAN being samped on each Wafer.

These Wafers have been before the public for nearly thirty years, and the immense sale attained, not only in america but in foreign countries, fully attest their intrinsic worth. The medical propecties are superior to any other attele offered for the cure of Pulmonary or Bronchiai affections, and the quantity contained in each box is nearly double that of the many worthless imitations advertised.

Bryan's Pulmonic Wafers Bryan's Pulmonic Waters cure Coughs, Colds, Sore Throat, Hoarseness, Asthmac Catarrh, Bronchitis, Difficuit Breathing, Spitting of Blood, Pains in the Chest, Incipient Consumption and all diseases of the lungs. Not only affording tempor ary relief, but effecting a rapid and lasting cure and are warranted to give satisfaction in ever instance. They do not nausente like alcoholic compounds, and the medicinal properties are combined in a form so a greeable and pleasant to the taste, that any child will readily take them. One dose will always afford

RELIEF IN TEN MINUTES. TO VOCALISTS and PUBLIC SPEAKERS, these Wafers are peculiarly valuable: they will in one day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

The very great celebrity of this invaluable remedy has induced suprincipled persons to prepare base imitations, which disappoint the just expectations of the purchasey, and injure the character of the genuine medicine.

Ses that the word, "BRYAN," is stamped on each Wafer, and also observe the fac simile of the signature of the Proprietor "JOB MOSES" on each wrapper, to counterfoit which is forgery. AP-Offending parties will be dealt with to the full extent of the law.

BRYAN'S PULMONIC WAPERS are for sale by all Druggists. Without Regard to value, and not to be paid for until you know what you will receive:
