A NOTHER GREAT CURE IN THE CITY OF NEW YORK,

Of a highly respectable citizen, well known to the Mercantile community, by DR. J. H. SCHENCK, THE GREAT LUNG DOCTOR OF PHILADELPHIA

OFFIGE N. Y. AND GALENA LEAD CO,
NO. 28 Nassau St., New York, June 1, 1865.

Dn. J. H. Sohenge.—Dear Sir:—For over fifteen years
I have been troubled with a severe cough, and usually
two or three times a year with more or less hemorrhage, which to tether, for the last few years, has kept
me thin in flesh and too weak to do bushess of any
kind without suffering. In August last I had a very
severe hemorrhage, and, according to the judgment of
a good New York physician, I was classed as beyond
the reach of medicine, and was advised to be prepared
so far as property matters were concerned, to leave this
world at short notice. The physician (and my good
friends) sair that the first cold I took must prove fatal.
Early in January I took a severe cold, and fortunately
was occupying rooms at No. 32 BOND STREET, directly over your office. I think about the 16th of January
I procured a bottle of your—Pulmonic Syrup and commenced taking it freely. My feet and limbs were very
much swollen, and all the symptoms of a speedy death
seemed to accompany my cold: I sent for my former
physician, and stared to him that I was taking your
medicines, and alter showing them to him, and having
tasted of them, &c., he replied; "You can take them If
you like, they will do you no harm." He said to
know what I told you last summer, and I say the amount
it off." Il is said to other friends that he "could see no
hope for me," and my friends and relations concluded
my time had come. At this time I was taking freely
of your medicine, but had not seen you. The doctor
called a few times, and found me (much to his surprise, he said,) improving and he could not understand
why. My faith was increasing in your medicines, and
I had a wish to have you examine my case, and see
what you had to say. When you first came to my
room and made the examination, you gave me but littile encouragement, but on the contrary, expressed sad
doubts of my ever being helped out of my then seeming difficulties. The second time that you called, finding me stil Office N. Y. and Galena Lead Co., No. 28 Nassau St., New York, June 1, 1865.

Yours, truly,

DR. SCHENCK—Dear Sir:—About two years ago I was taken with a very troublesome cough and a pain in my breast; seven or eight months passed away without my doing anything for myself. Then I applied to a physician, who attended me for about three months without rendering me any service. I also obtained the advice and treatment of a physician in one of our bespitals, and also had the advice and treatment of two other physicians but all to no purpose. During this long space of time I was nearly dead; several times my friends came to see me and witness my exit into the spirit-world. I was confined to my bed two months at one time. My breathing was exceedingly short. I gave up several times all hope of getting better; and as regarded getting well, that was entirely out of the question. And to think this day I am well and hearty! I was advised by some of my friends to try Dr. Schenck's Modicines. I accordingly bought bottle after bottle, until I reached the hint; then I found a decided change in my cough for the better. I suffered severely from palpitation of the heart, and two weeks after 1 commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schenck's office it was with When I first went to Dr. Schenck's office it was with When I first went to Dr. Schenck's office it was with difficulty that I could get up into his reception room, I was so weak and so swelled; 'my skin was as sallow as though I had the jaundice; I leit dull, heavy and sleepless. Dr. Schenck, after examini g me, said both my lungs were affected, and gave me but little hope; but his medicines, in about two weeks, took right hold of me; it seemed io go right through my whole system. The Pulmonic Syrup, Sea-Weed Tonic and Mandrake Fills, all took right hold in the right place. The Pille brought away great quantities of bile and slime; the Syrup loosened the mattar in my lungs, which came off very free; the Sea-Weed Tonic gave me an appetite, and everything seemed to taste good came off very free; the Sea-Weed Toole gave me an appetite, and everything seemed to taste good.

To show what great power the medicines have in purifying my system, and to show how had I was diseased, beside all the bile that passed my bowels, and the great quantities of phigm and matter I expectorated, I broke out all over in large bolls, that would continue to gather and run for about six weeks, and had at one time over twenty-five bois. I have nothing of the kind now, and feel like another person altogether. I can safely say that I have not enjoyed such health for five years as I do now, and cannot praise you and your medicines enough. May Gd abundantly bless and preserve you! is the sincere desire of once who has been so wonderfully releved through your agency; and if any one desires te know with regard to the truthfulness of this report, if they will call upon any of my friends, or upon hie, No. 4 Bryden Plâce, near Thompson: street, below Cadwalader, Philadelphin; Thoy will be perfectly satisfied with the validity of the case. Yours, with much respect, MARY SOLN AIDT.

The construction is simple and natural all the extraneous lumber in the body of the instru-ment is dispensed with; the sound boards are merely two arched planks of thin wood, like the front an back of a violin; the strings are attached to a strong Iron frame, which is separated and entirely independ ent of the case, thereby dispensing with the old harp form of stringing, by substituting straight bridges, preserving at the same time; he Over Strung Bass, of which Mr. Driggs is the inventor. From the N. Y. The N. Y. Times, July 12, says:-We have now a nstrument without an equal. I have known Hodland's German Bitters favorably for a number of years, I have used them in my own family, and have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these bitters, knowing from experience that my recommendation will be sustained. I do this more checrituity as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours, truly.

Yours, truly, LEVI G. BECK. 184

From Rev. W. D. Seigfried, Pastor of Twelfth Baptist Church, Phila.

Gentlemen:—I have recently leen laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Heodhards German Bitters were recommended by persons who had tried them, and whose favorable mention of these bitters and one under the distinct of them tested, but without relief. Your Housand and one of wards that I had an aversion to Patent Medicines from the "thousand and one" quark "Bitters," whose only a fine seems to be to paim off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation to the with happy effect. Its action, not only upon the streach, but upon the norvous system, was prompt and graftying. I feel that I have derived great great and permanent benefit from the use of a few bottles.

After trying a variety of so-called remodies, all of which proved worthless, I was induced, at the suggestion of a medical friend, to give Hoofland's German Bitters a trial. I accordingly purchased six bottles, which were taken in accordance with your directions. The result was complete removal of all distressing symptoms, after esting or drinking, and a full restoration of strength, so that I now eat all ordinary kinds the food-with impunity, and am able to attend to all the actives duties of a large and arduous businers awoil as at any period of my life, the good effects of the Bitters were manifested before I had taken the first bottle.

I have also used it in my family with the happiest results, and take great pleasure in adding my tostinony to that of the many others who have been benefitted by them. Having used in my family a number of bottles of your Hoofand's German Bitters.
