SCHENCK'S MANthe test of a fair experiment. SCHENCR'S MAN-DRAKE PILLS do not produce any nauses or sickness of the stomach; but when given for Dyspepsia, it may be proper to use them in connection with SCH NCK'S SEAWED TONIO By this judicious treatment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured. Headaché of long continuence, fevere pains in the side, breast and shoulders, arching of the limbs, a feeling of general weakness and wrotchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are specifly removed by the use of SCHENCK'S MANDRAKE PILLS.

unit a man for the management of business and the enjoyment of life, are all relieved by the use of SCHENCK'S MANDRAKE PILLS.

Dr. Scheck — Dear Sir: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can as arcely find language sufficiently strong to express my heartleft gratification of the wonderful cures your MANDRAKE PILLS and SEAWEED TONIC bave effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was abort. Such was the terrible condition to which I was reduced that life to me had become a burthen; my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head which would fell me to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail. One of them said he could do no mure for me, and advised me, as a last resort, to drink cod liver oil. Not relishing the horrid trash I declined to take it. Accident put your advertisement in my hands. I called on y-u; you examined me and told me the nature of my disease. You then ordered me the Pills and Tonic for some time, and now thank God for his goodness, and your valuable medicine, I am once more restored to perfect health. I most earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic for some time, and now thank God for his goodness, and your valuable medicine, I am once more restored to perfect health. I most earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic a fair trial, and a cure will be effected

T. From Rev. W. D. Seigfried, Pastor of Twelfth Bap-dst Church, Phila. Gentlemen:—I have recently 'cen laboring under the distressing effects of indigestion, accompanied by a prostration of the norvous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Heotiand's German Bitters were recommended by persons who had tried them, and whose favorable mention of these bitters induced me to try them. I must confess that I had an aversion to Patent Medicines from the "thousand and one" quack "Bitters," whose only aims seems to be to palm off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only upon the stemach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great great and permanent benefit from the use of a few bottles. Gentlemen :- I have recently | een laboring under

Some eighteen mouths since I was a severe sufferor from Dyspepsia. I was not only unable to take plain food without suffering great distress, but had become so doblitated as to be almost unfitted for active business of any kind.

After trying a variety of so-called remodies, all of which preved worthless, I was induced, at the suggestilities a trial. I accordingly purchased six bottles, which were taken in accordance with your directions. The result was complete removal of all distressing symptoms, after eating or drinking, and a full restoration of strength, so that I now eat all ordinary kinds of food with inpunity, and am able to attend to all the actives duties of a large and arduous business as well as at any period of my life, the good effects of the Bitters were manifested before I had taken the first bottle.

I have also used it in my family with the happiest results, and take great pleasure in adding my testinony to that of the many-others who have been benefitted by them. I find great benefit from the use of a bottle in the spring and fall. They not only create a vigorous appelite, but give a health tone to the stomach, by strengthening its digestive powers.

If the above testimony will be the means of inducing any who suffer from dyspepsia to give your bitters a trial (whon it, I feel confident, will give them re lief.) It is at your service.

Yours, truly,

N From the Rev. E. D. Fendall, Assistant Editor Chrislan Chronicle, Phila. I have derived decided benefit from the use of Hoof-land's German Bitters, and feel it my privilege to rec-ommend them as a most valuable tone, to all who are suffering from general doblity or from diseases arising from derangement of the liver. Yours, truly, E. D. FENDALL. From Rev. D. Merrigo, Pastor of the Passyunk Bap-tist Church, Phila. tist Church, Phila.

From the many respectable recommendations given given to Dr. Hoofland's German Bitters, I was induced to give them a trial. After using several bottles I lound them to be a good remedy for debility, and a most excellent tonic for the stomach.
