If your breath is bad, TRY THEM. If you feel drowsy, TRY THEM If you are low spirited, TRY THEM. If you have a sick headache, TRY THEM.

If you have taken a drop too much, TAKE A FULL DOSE

They only cost 25 cents a box.
TRY THEM. Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the disenses which they Profess to cure. And yet this corrostve mineral so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS THE MANDRAKE PILLS
are composed entirely of roots and herbs obtained from
the great storchouse of Nature, and their salutary utfects will appear as soon as the medicine is brought to
the test of a fair experiment. ScHENGR'S MANDRAKE PILLS do not produce any mauses or sickness
of the stomach; but when given for Dyspepsia, it may
be proper to use them in connection with SCH NCK'S
SEAWEED TONIC. By this judicious treatment the
digestive faculties are speedily restored to their full
vigor, and the worst cases of indigestion may be cured.

Cogliveness, piles, bitter or rour crutations, and that indescribable feeding of oppression, mental anxiety. Funguor, lethargy, and depression of spirits which unfit a man for the management of Lusiness and the enjoyment of life, are all relieved by the use of SCHENCK'S MANDIGAKE PILLS.

Dr. SCHENCK — Dear Shr: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can scarcely find language sufficiently strong to express my heartful gratification of the wonderful curve your MANDIGAKE PILLS and SEAWELD TONIC have effected in the entire curve of one of the most stubborn casses of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a butthen; my whole system was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; twe ling would arise in my whists and ankles, rendering them totally useless. On several occasions I was a traced with a most fillow to the body with a most. could not sleep; my whole body was filled with pain; twe "ling would arise in my withs and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head which would fell me to the ground, and I would be carried away for dead. I applied to several emiment physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail. One of them said he could do no more for me, and adviced me, as a last resort, to drunk cod liver oil. Not relishing the horrid trash I declined to take it. Accident put your advertisement in my hands. I called only u; one examined me and told me the nature of my disease. You then ordered me the Pills and Tonic with an observance of diet, pledging your word that in one week I would find myself another man. I followed your radvice, and, as you predicted, an astonishing cure was effected. I continued your Pills and Tonic for some time, and now thank God to his goodness, and your valuable medicine, I am once more restored to perfect health. I most earnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic a fair trial, and a cure will be offected. I have sent many persons to you and they have all been cured. Any information my fellow citizens may require will be freely given by the subscriber, at his residence, No. 812 Foderal street, between 8th street and Passy unk road.

PIANO-FORTES.

DRIGGS' NEW PATENT

RE the only Instruments constructed on a truly scientific principle. They have great strength, and wil' remain longer in Tune than any other Piano. The construction is simple and natural all the extraneous lumber in the body of the instru-ment is dispensed with; the sound boards are merely wo arche i planks of thin wood, like the front and back of a violin; the strings are attached to a strong fron frame, which is separated and entirely independ ent of the case, thereby dispensing with the old harp form of stringing, by substitutin: straight bridges, preserving at the same time 'he Over Strung Bass, cf which Mr Driggs is the inventor. By these improve ments we gain much more vibratory power, at the same time presenving all its purity and richness of

Press, and all the principal artists in the country among which are:

L. M. Gottschalk. Harry Sanderson. Max Maretzek, S. Thalberg, Wm. Mason, Theodore Eisfield, Herman Wollenhaupt, A. Barili, M. Strackosch, Francis II. Brown, Chas. Fradel. Wm. Henry Fry,

Mr. SEGESMUND THALBERG, the great planist, avs :-- I have examined your new Piano-fortes, and I rdially approve of its system of construction. Its principle, by which great increase of vibratory power is tained, being very simple and perfectly philosophical. The tone is grand and noble; it has great capacty for sustaining the sound or singing, and its volume of tone or power I have never heard excelled in lepth, purity, and sympathetic sweetness.

Wm. HENRY FRY, late musical critic of the N.Y.

Tribune says:—I have examined your newly invented Piano-Fortes. They merit all the praise given to them y Messrs Thalberg, Gottschalk, Strackosch, Mason and others. As regards structure, they are original and philosophical; in purity, volume, and continuity of tone; in vocal versimilitude, that crowning excel lence which enables the planists to "sing" on the in strument, your Pianos ever deserve the highest rank Your invention, in my opinion, is destined to work radical change in the manufacture of Pianos through

ont the world. From the N. Y. Herald, Sept. 5 .- Upon a careful ex amination of Drigg's Piano-Forte, we find the results obtained are a very fine singing tone, great purity and brilliancy throughout the entire instrument, not often und in Pianos constructed upon the old plan. The N. Y. Times, July 12, says:-We have now a instrument without an equal. It can sing with a smooth delicacy, perfectly unattainable on any other instrument; an ordinary player obtains with no exer-tion, the fullness of a Grand Piano-Forte, and they

nust speedily supersede the old styles.

GENTLEMEN:—Having thoroughly examined sted the Piano-Fortes invented and patented by Mi . B. Driggs, I am of the opinion that the tone result g from his improvements, as exhibited in the in naments under examination, in point of 'richness pth and brilliancy, equals that of the best Grand iano Fortes, and excels them in pure, musical inton ation and actual tone, power thus approximating loser to what I consider perfection in the instrument than has yet been achieved by any other system of

mannfacture. Yours respectfully, L. M. GOTTSCHALK. WM. HALL & SON. 503 Broadway. NEW YORK

I have known Hoodkand's German Bitters favorably for a number of years, I have used them in my own lamily, and have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those affilieted with the diseases for which they are recommended, to these bitters, knowing from experience that my recommendation will be sustained. I do this more cheerically as Hoodland's Bitters is intended to benefit the affilicted, and is "not a rum drink." My stock of prime Kip, Water Proof Calf and heavy boots &c., for men and boys is very large and complete together with a full assortment of women's and children's fine and every day wear, all of which you will find selling at the very lowest prices possible. Come see and be satisfied. at low prices.

Do not fall to give me a call, as I will always be glad to see you, and feel confident that Fean supply you with as good, well made and desirable Clothing, Boots, Shoes, Hats, &r. as can be found in the market, and I think at lower prices.

Gentlemen — I have recently been laboring under the distressing effects of Indigestion, accompanied by a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hechand's German Bitters were recommended by persons who had tried them, and whose favorable mention of these bitters induced me to try them. I must confess that I had an aversion to Patent Medicines from the "thousand and one" quark "Bitters," whose only aims seems to be to paim off sweetened and drugged liquor upon the community in a sly way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only upon the stemach, but upon the nervous system, was prompt and gratifying. I feel that I have derived great great and permanent benefit from the use of a few hottles. THE MOST CERTAIN REMEDY EVER

From A. M Spangier, Editor of the Culturist, No 5 North Sixth Street. Priladelphia, July 15, 1865. Some eighteen months since I was a severe sufference in Dyspepsia. I was not only unable to take plair food without suffering great distress, but had become so debilitated as to be almost unfitted for active bust so debilitated as to be almost unfitted for active business of any kind.

After trying a variety of so-called remedies, all of which preved worthless, I was induced, at the suggestion of a medical friend, to give Hoofland's German Bitters a trial. I accordingly purchased six bottles, which were taken in accordance with your directions. The result was complete removal of all distressing symptoms, after eating or drinking, and a full restoration of strength, so that I now eat all ordinary kinds of food with impunity, and am able to attend to all the actives duties of a large and arduous businers as well as at any period of my life, the good effects of the Bitters were manifested before I had taken the first bottle. I have also used it in my family with the happies

I have also used it in my family with the happiest results, and take great pleasure in adding my testinony to that of the many others who have been benefitted by them. I find great benefit from the use of a bottle in the spring and fail. They not only create a vigorous appetite, but give a health tone to the stomach, by strengthening its dicestive powers.

If the above testimony will be the means of inducing any who suffer from dyspepsia to give your bitters a trial (when it, I feel confident, will give them re liet,) it is at your service.

Yours, truly, M From the Rev. E. D. Fondall, Assistant Editor Christian Chronicie, Phila.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommond them as a most valuable tonic, to all who are suffering from general deblity or from diseases arising from derangement of the liver.

Yours, truly. E. D. FENDALL. From Rev. D. Merrige, Pastor of the Passyunk Bap-ist Church, Phila. From the many respectable recommendations given given to Dr. Hoofiand's German Bitters, I was induced to give them a trial. After using several bottles I Jound them to be a good remedy for debility, and a most excellent tonic for the stomach.

From Rov. Wm. Smith, formerly Pastor of the Vincentown and Millville (N. J.) Baptist Churches, Phila. Phila.

Having used in my family a number of hottles of your Hoofland's German Bitters. J have to say that I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to several of my friends, who have tried them, and found them; reatly beneficial in the restoration of health
