SCHENCK'S MANDRAKE PILLS.

FOR LIVER COMPLAINT. A SUBSTITUTE FOR CALOMEL. If your bowels are costive, TRY THEM. lf you have worms, TRY THEM.

If your breath is bad, TRY THEM. If you feel drowsy, TRY THEM. It you are low spirited, TRY THEM. If you have a sick headache, TRY THEM.

If you have taken a drop too much, TAKE A FULL DOSE. They only cost 25 cents a box. TRY THEM.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they Profess to cure. And yet this corrostve mineral so denounced by the allopathic dectors, it prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c. THE MANDRAKE PILLS

THE MANDRAKE PILLS
are composed entirely of roots and herbs, obtained from
the great stoebouse of Nature, and their salutary effects will appear as soon as the medicine is brought to
the test of a fair experiment. SCHENCR'S MAN
BAKE PILLS do not produce any nausoa or sickness
of the stomach; but when given for Dyspepsia, it may
be proper to use them in connection with SCH NOK'S
SEAWEED TONIC. By this judicious treatment the
digestive faculties are speedily restored to their full
vigor, and the worst cases of indigestion may be cured.
When we reflect that the liver is the largest internal organ of the body, that to it is assigned the imporcaut duty of filtering the blood and preparing the bile,
that it is subject to many disorders, and that when it
is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which is diseased or inserve the whole could be thetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderfur changes in the general health, and effect three which may appear to be almost miraculous. thetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect ures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feelin, of general weakness and wretchedness, and other alarming and distressing symptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the use of SCHENCK'S NANDRAKE PILLS.

Conjuveness, piles, bister or your cructations, and that indescribible feeling of oppression, mental anxiety, languor, letharcy, and depression of spirits which unfit a man for the management of business and the onlymment of life, are all refleved by the use of SCHENCK'S MANDRAKE PILLS

Dr. Schenck — Dear Sir: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I can scarcely flud language sufficiently strong to express my heartful gratification of the wonderful cures your MANDRAKE PILLS and SEAWEED TONIC have effected by ond description; all my triends, as well as myself, came to the concusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burthen; my whole system was in a state of indiammation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head which would fell ma to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail.

One of them sald he could do no more for me, and advised me, as a last recort, to drink cod liver oil. Not reliabing the horrid trash I declined to take it. Accident put your advice, and, as you predicted, an astonishing cure was effec

PIANO-FORTES.

DRIGGS' NEW PATENT. RE the only Instruments constructed on a truly scientific principle. They have great other Piano. The construction is simple and natural all the extraneous lumber in the body of the instru ment is dispensed with; the sound boards are merely vo arched planks of thin wood, like the front and back of a violin; the strings are attached to a strong ron trame, which is separated and entirely independ ent of the case, thereby disponsing witn the old harp orm of stringing, by substitutin; straight bridges,

preserving at the same time the Over Strung Bass, of bich Mr. Driggs is the inventor. By these improvements wegain much more vibratory power, at the ame time preserving all its purity and richness of They have received the highest testimonials from the Press, and all the principal artists in the country mong which are:

Chas. Fradel. Wm. Henry Fry, Mr. SEGESMUND THALBERG, the great planist, -I have examined your new Piano-fortes, and I ordially approve of its system of construction. Its principle, by which great increase of vibratory power is btained, being very simple and perfectly philosophial. The tone is grand and noble; it has great capac ity for sustaining the sound or singing, and its volume of tone or power I have never heard excelled in depth, purity, and sympathetic sweetness. Wm. HENRY FRY, late musical critic of the N. Y Tribune says:—I have examined your newly invented Piano-Fortes. They merit all the praise given to them

by Messrs Thalberg, Gottschalk, Strackosch, Mason and others. As regards structure, they are original and philosophical; in purity, volume, and continuity of tone; in vocal versimilitude, that crowning excel. lence which enables the planists to "sing" on the in tence which dualies the purchase which shall strument, your Planes aver deserve the highest rank Your juyention, in my opinion, is destined to work a radical change in the manufacture of Planos through ont the world. From the N. Y. Herald, Sept. 5.—Upon a careful ex

amination of Drigg's Plano-Forte, we find the results obtained are a very fine singing tone, great purity and brilliancy throughout the entire instrument, not often found in Planos constructed upon the old plan. The N. Y. Times, July 12, says:—We have now an instrument without an equal. It can sing with a smooth delicacy, perfectly unattainable on any other instrument; an ordinary player obtains with no exertion, the fullness of a Grand Plano-Forte, and they must speedily supersede the old styles.

I have known Hoedland's German Bitters favorably for a number of years, I have used them in my own family, and have been so pleased with their effects, that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and cailing the attention of those afflicted with the disrases for which they are recommended, to those bitters, knowing from experience that my recommendation will be sustained 1 do this more cheerfully as Hoefland's Bitters is intended to benefit the afflicted, and is "not a rum drink." From Rev. W. D. Seigtried, Pastor of Twelfth Bap-tist Church, Phila. rroun fev. W. D. Seigiffed, raster of I wenth halptist Church, Phila.

Gentlemen:—I have recently been laboring under
the distressing effects of indigestion, accompanied by
a prostration of the nervous system. Numerous remedies were recommended by friends, and some of them
tested, but without relief. Your Heofiand's German
Bitters were recommended by persons who had tried
them, and whose favorable mention of these bitters
induced me to try them. I must confess, that I had
an aversion to Patent Medicines from the "thousand
and one" quack "Bitters," whose only aims' seems to
be to palm off sweltened and drugged liquor upon the
community in a siy way, and the tendency of which,
I fear, is to make many a confirmed drunkard. Upon
learning that yours was really a medicinal proparation I took it with happy effect. Its action, not only
upon the stemach, but upon the norvous system, was
prompt and gratifying. I feel that I have derived
great great and permanent benefit from the use of a
few bottles.

Very respectfully yours, Very respectfully yours,

No. 254 Shackamaxon Street From A. M Spangler, Editor of the Culturist, No. 25 North Sixth Street. RHILADELPHIA, July 15, 1865. Some eighteen months since I was a sovere sufferer from Dyspepsia. I was not only unable to take plain food without suffering great distress, but had become so debilitated as to be almost unfitted for active busi-

so debilitated as to be almost unfitted for active business of any kind.

After trying a variety of so-called remedies, all of which preved worthless, I was induced, at the suggestion of a medical filend, to give Hoofand's German Bitters a trial. I accordingly purchased six bottles, which were taken in accordance with your directions. The result was complete removal of all distressing symptoms, after eating or drinking, and a full restoration of strength, so that I now eat all ordinary kinds of food with impunity, and am able to attend to all the actives duties of a large and arduous business as well as at any period of my life, the good effects of the Bitters were manifested before I had taken the first bottle. I have also used it in my family with the happies

N From the Rev. E. D. Fendall, Assistant Editor Christian Chronicle, Phila.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Voice trails B. D. Walley Yours, truly. E. D. FENDALL. From Rev. D. Merrige, Pastor of the Passyunk Bapst Church, Phila. ist Church, Phila.

From the many respectable recommendations given to Dr. Hoofland's German Bitters, I was induced o give them a trial. After using soveral bottles I ound them to be a good remedy for debility, and a nost excellent tonic for the stomach.

From Rev. Wm. Smith, formerly Paster, of the Fincentown and Millville (N. J.) Baptist Churches, Phila. Phila.

Having used in my family a number of bottles of your Hoofland's German Bitters. I have to say that I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for the and invisionate the system when do ed to remove the diseases they are recommended for. They strongthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appotite, &c.
