> CHOLERA Arrival of the Steamer England at Halifa.

There never was a political party aspiring with the Cholera on Board Two Hundred Cases and Forty Deaths in a Passeno power in this country, says the Harrisger List of Twelve Hundred Persons. burg Telegraph, with a record as foul and a purpose as corrupt as those of the party HALITAN, April 9 .--- The steamer England,

from Liverpool, bound to New York, has put in here for medical aid Her dates are to the 28th ult. The agent of the Associated Press has

thus far been unable to board the steamer | pal. England, no communication being allowed between her and the shore. Every effort will be made to obtain her news. The captain of the steamer England re

ports that on Tuesday, April 3, the first case of cholera occured, since which time one hundred and sixty more cases have broken out, and fifty cleaths have occured. She was ordered off by the Government, but owing to the rapid spread of the disease, and the engineers being sick, it was found impossible to proceed, and she now lies below the light house. Part of the passengers will be placed on board the hospitalship, and shantles crected on the beach for thé sick. No communication with the ship will be allowed. The authorities are doing all in their power to relieve the unfortu-nate passengers. There are three doctors on board to look after the ship. She has 1,202 presengers, and a crew of 100 The passengers are principally German and Irish. The captain thinks the disease was brought on board by the Germin passengers.

From Washington. Special Correspondence of the Carlisle Herald.

WASHINGTON D. C. April 9, 1866. Your readers are doubtless aware that the measure spoken of in my last, and known as principle. William H. Hopkins and his

principle. William H. Hopkins and his copperhead associates now support Hiester Friday, the 6th inst., by a two-thirds ma-successors apostolic or otherwise. successors apostolic or otherwise. If as in the Lutheran, and many of th Clymer as a man of principle. Hence the jority, against the veto of the President. Calvanistic churches of Europe, confirmaquestion, Do you approve Clymer's principle The vote was 33 to 15. If, as is quite proin stamming the door of the capitol of a loyal secured in the House, the bill will tecome a state in the 'face of a man who came to dein slamming the door of the capitol of a loyal State in the 'face of a man who came to de-fend the honor of his country and denounce in the lows, the bill will become a how, and all that remains is for the Presi-dent to execute it in good faith, which of would be both appropriate and solemn, if every scription in the interior of Pennsylvania, the organization of the Knights of the Golden Circle and a few other harmless little eccen-tricities we have not much doubt that it is about up to the orator's conception of loyalty and good behavior. But we must close. After Mr. Miller,' Senator Latta o' Westmoreland was introduced. He is an nounce upon the utility of the bill, and the which church allows priests, and deacons t amiable looking young gentleman and merity in insulting every loyal man who country be bought to distinguish between administer the rite of confirmation, as well claimed the attention of the audience on ncdrew Johnson, of Tennessee, down to the disabilities of that class of persons to which In regard to the 3rd article of C. in which

hands

he turns from the Bible to human authority it relates. In these troublous times, when two great for Confirmation, we will at once say that branches of the government are in a manner directly hostile to each other, and the inhalan endless task, and we do not hold Calvin itants of the South still remain "unrecon-structed," there are many. ways devised to settle impending difficulties and harmonize conflicting elements. Some are feasible, and or any man of more decisive authority on the subject than C. is. The Bible is the only authority we recognize, but as he has invoked these Daniels to judgment on the subject of confirmation we would make a few remarks. f adopted might result beneficially; while others are totally outside the pale of possibil-ity, and indeed, sadly deficient in theory. C. must not forget that article No. 2, was for prelatical confirmation which rite as such held by no church but the P. Episcopal and The method proposed by Senator STEWART, some time since, appeared to be rated in the Romish against which prelatical confirma-tion Oalvin fought from the first line he-wrote to the last. What Calvin's idea is of Democracy of former years. If our, oppo-nents dont show more spirit generally in the State wo fear their genial looking, courtly candidate wont be Governor. When he slammed the door of the Senate in when he slammed the door of the Senate in State wo fear their genial looking, courtly Candidate wont be Governor. Candidate wont keeping the "institution pure" from Rom-ish abuse which retained the form without
