SCHENCK'S MANDRAKE PILLS. FOR LIVER COMPLAINT.

A SUBSTITUTE FOR CALOMEL. If your bowels are costive, TRY THEM. If you have worms, TRY THEM. If your breath is bad, TRY THEM. If you feel drowsy, TRY THEM. If you are low spirited, TRY THEM. If you have a sick headache, TRY THEM. If you have taken a drop too much, TAKE A FULL DOSE.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they Profess to cure. And yet this corresive mineral so denounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS

They only cost 25 cents a box. . . TRY THEM.

THE MANDRAKE PILLS

are composed entirely of roots and herbs, obtained from
the great storehouse of Nature, and their salutary offects will appear as soon as the medicine is brought to
the test of a fair experiment. SCHENCK'S MANDRAKE PILLS do not produce any nauses or sickness
of the stomach; but when given for Dyspepsia, it may
be proper to use them in connection with SCHENCK'S
SEAWEED TONIO. By this judicious treatment the
digestive faculties are speedily rostored to their full
vigor, and the worst cases of indigestion may becured.
When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of filtering the blood and preparing the bile,
that it is subject to many disorders, and that when it
is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which
can restore the healthy operations of the Liver should
produce wonderful changes in the general health, and
effect ures which may appear to be almost miraculous
ileadache of long continuance, severe pains in the side,
breast and shoulders, aching of the limbs, a feelin; of
general weakness and wretchedness, and other slarming and distressing symptoms, indicative of imperfect
or disordered action of the liver, are speedily removed
by the use of SCHENCK'S MANDRAKE PILLS.
Costiveness, piles, bitter or your cructations, and
that indescribable feeling of oppression, mental anxie-Continuous, piles, bitter or four crutations, and that indescribable feeling of oppression, mental anxiety, languar, lethargy, and depression of spirits which unit a man for the management of business and the onjoyment of life, are all relieved by the use of SCHENCA'S MANDRAKE PILLS. SCHENCA'S MANDRAKE PILLS.

Dr. Schesker, —Dear Sir. I take pleasure in sending
you a certificate in addition to many you have already
received from suffering humanity. I can skaredy find
language sufficiently strong to express my heartielt
gratification of the wonderful curves your MANDRAKE
PILLS and SEAWEED TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burthen; my whole system was in a state of inflammation; I could not eat, I would not take the most before the my my find the my my chole both was filed with a first own was filed with a first own.

was in a state of inflammation; I could not eat, I could not sleep; my whole body was filled with pain; swe ling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head which would fell my to the ground, and I would be carried away for dead. I applied to several eminent physicians of our city, who administered all the medicines that they there were the contraction of the country of the contraction of the country of the country of the contraction of the country of the contraction of the country of the cou city, who intinistered all the medicines that they thought would used my case, but of no avail.

One of them said he could do no more for me, and advised me, as a last resort, to drink red liver oil. Not relishing the herrid trush I declined to take it. Accident put your advertisement in my hands. I called on you; cone examined me and told me the nature of my disease. You then ordered me the Pills and Tonic with an observance of diet, pledging your word that in one week I would find myself another man. I followed your advice and, as you predicted, an astonishing is week I would not myself another man. Thousely your advice, and, as you predicted, an astonishing tre was effected. I continued your Pills and Tonic resone time, and now thank God for his goodness, ad your valuable medicine, I am once more restored perfect health. I most carnestly recommend those ho are suffering from affection of the liver to give our Pills and Tonic a fair trial, and a cure will be effected by Largeaut any present to you cand there your Fills and tone a fair trial, and a cure will be effected. I have known Hooffund's German Bitters favorably for a number of years. I have used them in my own amily, and have been so pleased with their effects, that I was induced to recommend them on any others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and carling the attention of those afflicted with the diseases for which they are recommended, to those bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours, truly.

Yours, truly, LEVI G. BECK. F

L From Rev. W. D. Seigfried. Paster of Twelfth Bay Gentlemen: -- I have recently 'een laboring under the distressing effects of indigestion, accompanied by a prostration of the nervous system. Numerous rem-edies were recommended by friends, and some of them tested, but without relief. Your Heofland's German tested, but without relief. Your Heodand's German litters were recommended by persons who had tried them, and whose favorable mention of these bitters induced me to try thom. I must confess that I had an aversion to Patent Medicines from the "thousand and one" quack "Bitters," whose only aims seems to be to paim off sweetened and drugged liquor upon the community in a siy way, and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only upon the struach, but upon the nervous system, was prompt and gratifying. Heel that I have derived great great and perman int benefit from the use of a few bottles.

Very respectfully yours

Very respectfully yours, No. 254 Shackamaxon Street.

A From A. M. Spangler, Editor of the Culturist, No. 5 North Sixth Street. PHILADELPHIA, July 15, 1865. Some eighteen months since I was a severe sufferer from Dyspepsia. I was not only unable to take plain food without suffering great distress, but had become so debilitated as to be almost unfitted for active busiso debilitated as to be almost unfitted for active business of any kind.

After trying a variety of so-called nemedies, all of which preved worthless, I was induced, at the suggestion of a medical friend, to give Hoodand's German Bitters a trial. I accordingly purchased six bottles, which were taken in accordance with your directions. The result was complete removal of all distressing symptoms, after eating or drinking, and a full restoration of strength, so that I now eat all ordinary kinds of lood with impunity, and am able to attend to all the actives duties of a large and arduous business as well as at any period of my life, the good effects of the litters were manifested before I had taken the figst bottle. I have also used it in my family with the happiest results, and take great pleasure in adding my testinous to that of the many others who have been benefitted by them. I find great benefit from the use of a bottle in the spring and fall. They not only create a vigorous appelite, but give a health tone to the stomach, by strengthening its dizestive powers.

If the above testimony will be the means of inducing any who suffer from dyspopsh to give your bitters a trial (when it, I feel confident, will give them relief,) it is at your service.

Yours, truly.

I have derived-decided benefit from the use of Hoofland's German Bittors, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours, truly. E. D. FENDALL. From Rev. D. Merrige, Pastor of the Passyunk Bap-

tist Church, Phila.

From the many respectable recommendations given given to Dr. Hoofland's Gorman Bitters, I was induced to give them a trial. After using several bottles I found them to be a good remedy for debility, and a most excellent tonic for the stomach.

From Rev. Wm. Smith, formerly Pastor of the Vincentown and Millville (N. J.) Baptist Churches, Phila. Phila.

Having used in my family a number of bottles of your Hoofland's German Bitters. I have to say that I regard them as an excellent medicine, specially adapted to remove the diseases they are recommended for. They strengthen and invigorate the system when debilitated, and are useful in disorders of the liver, loss of appetite, &c. I have also recommended them to soveral of my friends, who have tried them, and found them greatly beneficial in the restoration of health Yours, truly, WILLIAM SMITH,
