CHENCK'S MÄNDRAKE PILLS. FOR LIVER COMPLAINT.

A SUBSTITUTE FOR CALOMEL If your bowels are costive, TRY THEM. If you have worms, TRY THEM, II your breath is bad, TRY THEM. If you feel drowsy, TRY THEM. If you are low spirited, TRY THEM.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they Profess to cure. And yet this correstre inherel so denounced by the allopathle dectors, is presented by them almost universally in Liver Com-

plaint, Consumption of Lungs, &c. THE MANDRAKE PILLS
are composed entirely of roots and herbs, obtained from
the great storehouse of Nature, and their salutary effects will appear as soon as the medicine is brought to
the test of a fair experiment. SCHENCR'S MANDIAKE PILLS do not produce any nausea or sickness
of the stormen; but when given for Dyspepsia, it may
be proper to use them in connection with SCHENCR'S
SEAWEED TONIC. By this judicious treatment the
directive iscutiles are speedily restrict to their full
vigor, and the worst cases of indigestion may be cured.
When we reflect that the liver is the largest intertal organ of the body, that to it is assigned the imporlant duty of filtering the blood and preparing the blic,
that it is subject to many disorders, and that when it
is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which
can restore the healthy operations of the Liver should
produce wonderful chances in the general health, and
effects are swhich may appear to be almost miraculous.
Headache of long continuance, severe pains in the side,
breast and shoulders, aching of the limbs, a feelin of
peneral weakness and wretchedness, and other alaum
ing and distressing symptoms, indicative of imperfect
or disorfored action of the liver, are, speedily removed
by the inso of SOIERNEN'S MANDIARWAYILLS. THE MANDRAKE PILLS

ceneral weakness and wretchedness, and other alauming and distressing synptoms, indicative of imperfect or disordered action of the liver, are speedily removed by the inse of SOHERNEK'S MANDICARE TILLS.
Costiveness, piles, bitter or our crutations, and that in-to-cribible feeling of oppression, mental anxiety, largory, lethargy, and depression of sprits which until a nan for the management of business and the onlyment, or life, are all, relieved by the use of SCHENCK'S MANDICARE PILLS

Dr. SCHENCE, Dear Sir.: I take pleasure in conding you a certificate in addition to many you have already received from suffering humanity. I can as arrely find language sufficiently strong to express my heartfelt gratification of the wonderful cures your MANDICARE.
PILLS and SEAWEED TONIC have effected in the entire curs of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terrible condition to which I was reduced that life to me had become a burthen; my whole system was in a state of inflammation; I could not est, I could not sleep; my whole body was filled with pain; swelling would arise in my wrists and ankles, rendering them totally useless. On several occasions I was attacked with a rush of bloody to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several ominum physicians of our city, who administered all the medicines that they thought would reach my case, but of no avail.

One of them said he could do no more for me, and advised me, and last, resort, to drink cod live it. Acci-

one weak i wan into his self momer man. I follow-ed your advice, and, as you predicted, an astonishing cure was effected. I continued your Pills and Tonic for some time, and now thank tied for his geodness, and your valuable medicine, I am once more restored to perfect health. I most carnestly recommend those who are suffering from affection of the liver to give your Pills and Tonic's fair trial, and a cure will be ef-fected. I have said they are recomments and they jour Phis and Police a mir that, and a cure will be effected. I have sont many persons to you and they have all be on cured. Any information my fellow citizens may require will be freely given by the subscriber, at his residence, No. 812 Federal street, between 8th street and Passy unit read.

Mr. Colle, Sir, The "Merrill's Washing Compound" which you handed to me, I have fairly tosted in deing a large washing to day; and it gave me perfect satisfaction, as it was the first time I ever washed without a rubber or machine, I get through with my washing in one fourth of the time, and with one fourth of labor that I took me in the old fashioned way. I would not, upon any account, do witout it. It is one of the great-st wonders of the age, as it saves time, money and laber, as well as making the clothes look whiter than by the old process. The effect of the compound upon evelocal clothing is to be ighten the colors.

Messers Coll, Steward. & Co., Gentlemen, I have tried the "Merrill's London Washing Compound" you gave to me, in the washing of twenty two plones, in one hour. It gave me perfect satisfaction, and fully comes up to all that is said of it. I did not use a wash beard, wither did I rub the Jothes with my hands. They were an white, clean, and cloar as any I ever washed in the ordinary way. It sets and brighters the colors of colored clothing.
