be to pain off sweetened and drugged liquor upon the
community in a sly way, and the tendency of which,
I fear, is to make many a confirmed dundard. Upon
learning that yours was really a medicinal preparation I took it with happy effect. Its action, not only
upon the st mach, but upon the nervous system, was
prompt and graifying. I feel that I have derived

Dean Sin: I feel it due to your excellent preparation Hoodhand's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced a great and unexpected relief. My health has been very materially benefited. I confidently recommend the article where I met with cases similar to my own, and have been assured by many of their good effects.

DAR SR :— I feel it a duty I own to you, and to all who are suffering under the diseases known as Consumption and Liver Complaint, to let them know what great benefits I have received from your Pulmonic Syrup and Seawed Tonic in so short a time. By the disease, of God it has cured me thus far

Dr. Schence, I will now make my statement to you, as follows:—About eighteen months ago I was attacked with a severe cough, and it settled on my lungs; I could not retain anything I ate, and suffered with evening fevers and night sweats. I was very much reduced. The whites of my eyes were very yellow; likewise m; skin; my appetite all gone, and unable to digest what I did eat; bowels swoolon, irregular and costive. I was very low spirited, and had such violent spells. I then would be nearly exhausted, and was entirely unable to lie on my left side. I cannot describe my wretched suffering as I would wish to do. Every organ in my body was diseased or deranged. Such was my situation at this time, and I was confined to my bed from the last of February, 1802, to June, 1863, not able to sit up. I had the best of medical attendance the whole or the time. My cough was so very bad that it racked me very much. I at this time raised a large quantity of thick, yelle w, oftensive matter, sometimes with blood, and it was generally accompanied by naussea and a furred and thick coated tongue. At the time of caughing so badly I would have sharp, shooting pains in my left side and heart, night sweats, and soreness all through my whole chest; hadmuch in ward fever, pain in my back and under my shoulder blades and in the small of my back, and at times so sever that it would throw me I. to spasms. Now my physician gave me up to die. Others I had, and that that time I was nothing but sidh andbones. I then was in the western part of Missouri. But the doctor had warned him of this, and whon the medicine was clearing out the system it made them feel somewhat restless, and to persevere; and he insisted on my taking it; and now I feel the benefit of it. For after eight days I beggy to gain my strength, and, with the exception of a colid that put me back some, I have been gaining strength of body, my cough is going away, and all my pains are gone; no soreness of the body my bowels are regular, and my breath is sweet, and I thank Got that I am now going about, and sow and read as well as ever I could. I have taken sixteen bottles of the medicine, eight of each. I now have a good appetite and rest well at aight; my cough does not trouble me in getting up or lying down.
