ensuing election. The Volunteer thus kindly notices the first meeting of the GEARY Club. The disunionists and rumpers to the numon thus legally called together should not ber of some fifteen or twenty, met at semble. On the day before the meeting he need his orders to the police to be in readused on effort at organizing their secattered faction. None of the recognized "leaders" were present, and the affair had a dismal and black appearance. Finally, the Demohung their heads and hoped, no doubt, that "SMITHY" would, for once, "refuse to be arresting a half dozen of men, murdered 50 made the butt of young copperheads," as a persons at d wounded 160 more (later accounts more than double these numbers). But the boys succeeded, and they shouted ounts more than double these numbers,) and laughed as the object of their irony was cumbent to a half-careless perpendicular pothe meeting. The Democratic urch.ns. however, were not to be foiled, and they cried out to SMITH, "go on." "SMITHY" litical gatherings ever held in this part of gave one of his peculiar looks at the boys, blew his interesting nose with his fingers, opened his mouth and—belehed. He was about to take his seat, but the little rascals Cumberland alone numbered 1500 persons,

known, was not fit to carry blood from a shughter-house." [Continued laughing, and another belch.] "As for Capt. Por-TER, ZINN, STEVENSON and the others who acted with them," said he, "they are the greatest set of asses and traitors this world gives the following account of this dastardly ever produced. They have no influence, no speaker could not articulate, and asked for a drink. One of the boys gave him a cup of water, but after smelling at it, he put it down, and continued—"I say they have no patriotism, and I am glad they have left us." will turn to his files of 1855 he will find that in speaking of his new friend Mr. ZINN, he used the rather elegant remark was not fit to carry blood from a slaughter house." Mr. Smith merely referred to this expression and that was the only allusion

ute of the refining and elevating influence f conservatism whilst the latter has never been afflicted with the pernicious heresies o adicalism. We believe too that the GEARY

Olub of this town will not suffer much by comparison with the Club that meets in the mate result of Andrew Johnson's policy of mate result of Andrew Johnson's policy of restoring rebels to power. A convention assembles at the call of its President, and for its exemplar the man whose sobriety was for its exemplar the man whose sobriety was so nobly conspicuous of the 4th of March 1865, and whose fine manners and general accomplishments were so strikingly displayed on the 22nd of February last. Still we prefer each leaving all this to the comso nobly conspicuous of the 4th of March ve prefer each leaving all this to the comnunity, without any attempt to prejudice heir judgment by abuse or ridicule of individuals. A man's arguments and sentimenta are always legitimate subjects for discussion, but ridicule or abuse of him as an i individual is disgraceful even to a professionil blackguard. Can't this thing be stopped!

present at the National Union Johnson Convention, held in this place on the 28th ult., we mentioned the names of WM. M. PORTER, Esq., formerly editor of the Carlisle Herald, and GEO. ZINN, Esq., formerly editor of the American, but unintentionally neglected to mention the name of J. MARION Weakley, Esq., presenteditor of the Herald. We cheerfully make the correction, as it with no intention of doing Mr. Weakley injustice, that we neglected to nutice his attendance - Volunteer

FULTONVILLE, Montgomery Co. Aug 4. Since the people are about to have another 'martyr,' in the person of the late 'Doctor' Dostie, let me give you some of his antecedents. He was for some years a resident of Amsterdam, where he pursued the calling of village barber. I, a boy at the time, retoned at the throat, and a hat having the style of brim affected by "sports." Altogether his appearance made him a terror to small boys, and a laughing stock and butt to those of larger growth. In connection with his and the only journeyman, he started a cheap bathing establishment, consisting of a forcesum of six and one-quarter cents the bath. The enterprise however, did not pay, and of Pennsylvania-full 300 miles from here. Dostie's capital in pump and tubs was all a-

barber shop, of which he was sole proprietor pump and two tubs, wherein the great and small unwashed might bathe for the small float. With no means to pay board and washing bills, poverty stared Dostie in the him, till the hero of many a fight between a stiff beard and a dull razor turned up as a newly manufactured Radical martyr in New

In the old tub and lather-box days, i ed as a lunatic or fool. But now the Radi-cals in and about Amsterdam rank the deceased "Doctor" with John Brown and the late President Lincoln, and mourn him as a Governor of Kansas by a Democratic Ad- | "martyr." It is a matter of serious considministration when Know Nothingism was cration whether or not, if the funds shall be present himself, and after the usual thanks Deitz has taken the pains to inspect the diffinally laid down in sorrow amid the scenes of his early tonsorial triumphs. There is to be no Homeric dispute between the rival cities, Amsterdam and New Orleans. Amsterdam claims her scapy son; and no doubt Congress can be induced to make an appropriation for the transportation of the "marfinally laid down in sorrow amid the scenes | to speak,) commenced a tirade against those tyr's" remains.

Dr. Dostie was once a barber and became GEN. GEARY'S reputation needs no bolster- a Dentist, just as Andrew Johnson was a JIMMY SMITH, vociferously demanded a GEN. GEARY'S reputation needs no bolster- a Dentist, just as Andrew Johnson was a speech from him. The Republicans present ing. We quoted GEN. SLOCUM merely to tailor and is now President. That is the beauty of our Republican form of govern-ment because it permits a man to rise. It was not his once being a barber, but his conspicuous loyalty and love of universal freedom, that causes these management hisses of the copperhead press. And his earnest desire that the loyal Southern majority should not be placed under the heel of the sition. Just at this moment a considerable enthusiastically in York and in spite of the rebel minority, was the cause of his butchery by those whom the World and its ilk, are now hounding on to other deeds of lawlessless and violence.

THE CASE OF JEFF. DAVIS .- A few of the Southern papers of the most peppery character have entered into the agitation of the question:—What would happen if Jeff.

My space will not allow me to note all the blunders Mr. Hefflefinger made; but a few examples will suffice, and if their correct-Davis should die in prison? Some of them accompanied with four bands of music and a think Nature would go into convulsions. "The death of such a man in prison, after the world knows what he has suffered.

will arouse a martial storm which will sweep from the center to the circumference of Christendom, and pillory to shame forever, on the page of history, the actors in the dark tragedy of Fortress Monroe. The death of Davis in prison would be an indignant theme before which the deeds of the inquisition, the crimes of the Bastile, the were leaving for home in the train. For- murders of London Tower, and the horrors of the Austrian dungeon, will glow radiant with the light of Justice and mercy."

There are several thousand better men, says the Cincinnati Commercial, then Jeff. Davis, who died in prison in the South and Davis, who died in prison in the South and and assisted to arouse a moral storm that France. The battle of Pittsburg landing swept secession from the face of the earth. Since writing our regular report of the pic-nic on Thursday last, additional particulars have come to hand, in reference to the diabolical attempt made by some of the Democratic town rowdies of our borough, to take the life of Gen. Geary and others, while they were in the cars ceturning home in the periment of hanging will yet be tried with

A Convention of Clymer soldiers was called to meet in the Court House at Huntingdon, a few days since, for the purpose of impotent excuse. The fact is he had sending delagates to the Harrisburg Conventor forgotten so much, that there was nothing tion. There being but four or five Olymor, left in him, and the sooner his friends soldiers present, they made no effort to organize the convention. Quite a number of Geary soldiers being present, they organized friends should shun. Mr. Swartz had no the convention, and passed a series of resolutions which were the following:

last, expressed fully and unequivocally the sentiments of the soldiers of this county. Resolved, That any assertion made by par-tisan or political factions or parties to the effect that any respectable number of the soldiers of this Commonwealth will vote for

The Harrisburg Soldiers' Geary Club have resolved to attend the great Republican Geary meeting at Reading next week. By the way the Soldiers at the home of Clyme are by no means terrified; at least one would suppose so to see these gallant men drilling nightly in the streets of Reading. They have already formed one huge regiment, divided into fifteen companies of sixty men each, properly officered, and commanded by Col. Durrell, with staff officers. In the ranks of this Regiment, which is made up entirely of Reading Soldiers, may be seen gallant generals, colonels and other officers of rank, serving as privates. Good for Old SIGMA.

For the Herald The County School Superintendent. Mr Editor, having been present at what My Editor, having been present at what may be called an "Indignation meeting of School Directors." I propose to give you a and free from all imperfections, while the few facts with reference to the action of those who r quested the State Superintendent to color. We believe that the state Superintendent to color. We believe that it is also state Superintendent to color that the state Superintendent to color that the state Superintendent to color the state Superintendent to c would have been impossible to have found a man of "less account" in Amsterdam than a Color. We believe that it would be well for commission withheld "in case he was found to color." Doctor" Dostie, who was generally regardrequested to present himself to the convention of School Directors and deliver an ad-

course and determined to give him such an opportunity as would effectually settle the matter. Taking it for granted that no friend of education would desire the office to be filled by one grossly incompetent, and if competent, we desire to know it, so that we could tell what confidence to place in the

certifier to be might grant to teachers. The examination was held, and for the credit of Cumberland county, I wish the result had been different. All agree that Mr. Heffielinger is a fine man, a very good citizen and but for this affair might have slipped through the world with the reputation of knowing something. But notwithstanding he was crammed by a celebrated Professor. preparatory to his examination; he failed grossly in all the branches on which he was

ness is doubted, there was a gentleman from a distant county present who took notes, and will be qualified to their correctness.—
We did not see the written orthography, but verbally he could give no idea of the meuning of the general ways of the country of the ing of "clemency," nor could be compose a sentence in which the word would occur. Geography he said was divided into Natural, Physical and Mathematical. Natural Geog-raphy described the Natural divisions of the earth. Physical, describes the land and water; and Mathematical relates to the di-Ferry in Maryland; Vicksburg, in Tennessee or Kentucky; West Point Military Academy, "where General Scott died recently," in Virginia, and he said that the school at

that place was not in operation during the rebellion. Chilocothe was in Tennessee, and chenectady was in Canada. In history Washington in supreme command, and Braddock subordinate to him. And the battle of New Orleans was fought during the Mexican war in 1846 7 Scott and Tay-When requested to give his answer in

writing he said he would "rather just tell it." The examination was conducted fairly and honorably, and if Mr. Hefflefinger's total failure is to be tributed to fright and more hand in this matter than any citizen of the county had a perfect right to have.— He may have signed the certificate desiring Resolved, That undeniable syldence has already been furnished, and is still accumulating, to prove that the soldiers of Huntingdon county are, as a mass, warm supporters of the Republican Union party.

Resolved, That we believe they will cast an almost solid vote for their follow soldier, Major General John W. Geary.

Resolved, That the State convention of Soldiers, held at Pittsburg on the 5th of June last, expressed fully and unequivocally the possible, and atthough sorry that we had occasion to do it, we are glad that the law provides for the case. If Mr Swartz is as some say, no better than Hesselfinger, by all means let him be examined, and his commission taken from him if he proves meompetent. This is the only honorable legal method of proceeding and Mr. Swartz's friends will rather rejoice at such an opportunity of vindicating her reputation. But I suppose his commiss will prefer secression and suppose his onemies will profer accession and rebellion to an honorable course, and they

must be allowed to have their own way.

POLICE ITEMS.—Officer ANDREW MARTIN is becoming a terror to evil doers. Almost every day for some time past he has been arresting some transgressor of the lex cripta and bringing the offenders before the bar of justice. It is a real comfort to know that we have an officer of the law who knowing his duty, dares to do it faithfully.

On Saturday evening last two soldiers were accompanying Mrs. Eckels and her daughter to their homes when they were attacked by some ruffians, who knocked down one of the soldiers and attempted to rob him of his watch.

The watch, which was a valuable one, was secured by a heavy gold chain, which resisted the would-be highwaymen's efforts to tear it loose, long enough for the owner to give the alarm, which brought assistance when the rascals fled. Four young men, whose names are as follows: John Cramer jr, Christian Holabaugh, George Dallam and James Smith all residents of our borough, have been arrested on charge of being the guilty parties. Smith and Cramer, were dmitted to bail in the sum of \$1,000.

On Thursday last GEORGE HOLABAUGH, prother of the gentleman mentioned above, amused himself by shooting two of Col. W. M. HENDERSON'S turkeys with the evident intent of bagging the same. Col. II. objected to this disposition of his poultry and had the enterprising sportsman bagged by officer

are only chosen every five years some three of our eleven disappointed friends will have to wait a quarter of a century for their honors even if no soldier dodges are sprung upon future Conventions. To the disappointed candidates for the less imposing but more lucrative honors of the Court House we suggest that their occupation is about gone and they had better turn their attention to something else and give up all hope for nominations for the rest of their natural lives. Many of them are infinitely better

eration in Democratic Conventions. Capt. SINGIZER'S threat of disorganization brought the Convention up to the mark on the soldier nominations. For fear of losing the few soldiers who act with their party the three men whom he demanded were nominated. We are informed, however, that before these nominations were a written statement to the Convention that vention then put them on the ticket and although they did it willingly still it was repudiated Singizer were guilty of a little reflect much credit on himself, it was worth for the coming year much to the disappoint-

Since the rebels of the South inaugurated

ter, nothing has occurred which has so filled the public mind with painful alarm and apprehension as the late riots in New Orleans We published just week the first reports of this last cowardly s'aughter of loyal men to gratify the malignity of rebels who have been emboldened by the treacherous conduct of Andrew Jonsson, and this week we give a more detailed account of the outrage. The facts of the occurrence are simply these Governor WELLS (who was elected to his position by the votes of both parties) called together a convention elected in 1864 for the purpose of deliberating on the political affairs of the State. The Mayor of New Orleans, "I'LL VOTE AS I FIGHT!"-Speech of whom BEN. BUTLER imprisoned for treason. and Andrew Johnson pardoned for the une offense, determined that the Convention thus legally called together should not ssued his orders to the police to be in readiness and doubly armed. The Sheriff of the city, an ex-rebel general, mustered in at the same time 250 additional deputies. After the Convention assembled this force, which was composed entirely of paroled rebel soldiers, without any further provocation than would have been sufficiently punished by zens have been invited and are expected to persons and wounded 160 more (later ac-

If we forbear to following. nsist upon the halter doing its work, are ve, therefore, precluded from taking any precautions against treason? Have those lately in rebellion manifested any, the slightcst, penitence for the course they took ? If so, when and how? Has there been even a graceful yielding to inscrutable destiny? When were arrogance and defiance more marked, whether we take as types the Jarboes who figure in tourneys in the bailiwicks bail from that place. Is it possible that

would not permit this, and they continued to cry out—"go on, go on." "SMITHY" said he "did not come to the meeting to make a speech, but yet the patriotic blood in his patriotic veins fairly boiled at times, when he noticed that such men as PORTER, county in October. GEN. GLARY, GOV. ZINN, STEVENSON, WILSON, and scores of other rascals were deserting the "loyal thieves to join the copperheads." [Great laughter, followed by another belch from the orator.] He believed "that Bratton,

put—no patriot—no pa"—at this point the speaker could not articulate, and asked for gave the radicals in Congress a little turn on the admission of the States that would have sent Thad. Stevens howling into obscurity had he unfortunately heard it. Then he got back to the soldier business and then the Convention got somewhat disgusted. Pretty soon D. K. Noell moved that they proceed to the radicals in Congress a little turn on thave been dispersed immediately. We are the days fought during the Mexican war fought they have left us."

[More laughter by the boys.] Smith sat they were in the cars returning home in the Mexican war fought during they were in the cars returning home in the sold into obscurity tive abilities of the authorities and the youngstors quietly dispersed.

It is hardly necessary to say that the whole of the above is a frame work of false-hold got up in order that the Volunteer the police officer for the day, fired six shots from his revolver into the train as it was moving away from the depot and this seemed to be any form the depot and this seemed to be any form the depot and this seemed to be any form the depot and this seemed to be any form the depot and this seemed to be any form the depot and this seemed to be any form the depot and this seemed to be any form the deads of men, who can well do without the addition. soon D. K. Norll moved that they proceed fully armed and at hand might have been and vituperation. The meeting was as large agreed upon as the signal of a general assult to business. Singler knowing that he was sufficient to disperse forty men. But these largely meeting was as large from a number of other rowdies, who had party in Carlisle, and considerably greater field, and who were provided with muskets, in members than the one to which the junior editor of the Volunteer addressed his rather remarkable legal effort. Mr. Smith paid his respects to Mesers ZNN and Polymen but grown Curtin and several ladies, and the tion but Singizer wasn't going to be squelched of the ex soldiers of the robol army. Even this respects to Messrs Zinn and Porter, but we remember a time when those gentlemen apeak it. In desperation he threatened if Doctor Dostie, had been shot down and received compliments from our heighbor that it to time. This would have made strangers suppose that was intended for General Geary, and not for neither of them were greatly distinguished for the person actually struck. The car was honesty and good morals. It is not true perforated by bullets from the corn-field, and a number of expressions through the corn-field. that any abusive language was applied to besides, showing a wicked design on the part of the assatiants, to do as much mischief as that "it was well known that he (Zinn) tial, as several balls struck in the immediate made to Mr. Bratton during the evening.

possible in connection with carrying out their principal design to murder our candidate for Governor. That he escaped under vicinity of the seat he occupied. Four of the "Boys in Blue" from Harrisburg were wounded, one of them it is said quite seriously. and of whose recovery there seems to be some doubt. We did not learn the name of
