OR WORM LOZENGES. Much sickness, undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "Vermiruge Compits," although offectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in oradicating worms, so hurtful to Children having Worms require immediate atten-

tion; as neglect of the trouble often causes, prolonged SYMPTOMS OF WORMS IN CHILDREN are often overlook ed. Worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. The combination of ingredients used in making Brown's "Vernifuce Comfits" is such as to give the best possible effect with safety.
