An Effectual Worm Medicine. Brown's Vermifuge Comfite. OR WORM LOZENGES. Much sickness, undoubtedly, with children and adults, attributed to other causes, is occasioned by worms. The "Vermiruge Comfits," although

offectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to CHILDREN HAVING WORMS require immediate attention, as neglect of the trouble often causes prolonged sickness.

Sumptoms of Worms in Children are often overlood ed. Worms in the stomach and bowels cause irritation which can be removed only by the use of a sure reme dy. The combination of ingredients used in making Brown's "Vermifuge Comfits" is such as to give the best possible effect with safety.

AMERICAN WATCHES, Made at WALTHAM, MASS. In consequence of the recent great improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed yet offored, such as With Gold and Par,

RELIEF IN TEN MINUTES. RELIEF IN TEN MANUTES.

To Vocalists and Public Perakers, these Whiers are peculiarly valuable. Liep will in one day remove the most severe occasional hearseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, g. eatly improving its tone, compass and clearness, for which pulpose they are regularly used by many professional vocalists.

The very great celebrity of this invaluable remody has induced unprincipled persons to prepare base indications, which disappoint the just expectations of the purchaser, and injure the character of the genuine medicine.
