OALICOES,

was turning away with the little package, and handing him a sovereign, said in a low tone, "Give the lady her parcel." Amazement benumbed Nell's faculties ;\_ the packet of stationary she had ordered was cial affairs. nlaced in her hand, and she walked away asif ip a dream, possessed only with the one thought that she was penniless. Once outside the door, the cool air restored her usual self-possession; and she stopped, smoothed the golden hay, and in a low indignant with horself for having allowed a stranger to place lier under a weight of obligation ; but, behold | as she turned, he stood her thirsty flowers. She forgot her troubles beside her-handsome, tall and about five and thirty years of age. -"Thank you sir, but I cannot allow you to do this. 1 believe I didn't really know what I was doing. I will return the par-"One moment, if you please." And she yet childlike and full of love, hought his voice was more musical than iny she had ever heard before. "I should be ery happy to be allowed to do you sosmall Mrs. Gibson, the lodging-house mistress. favor; but your face tells me, as plainly is words could tell, that you are much too independent for that. I could not avoid hearing your conversation with the shopman. Will you not allow me to lend you all made out." the little sum ? At any time you choose you can call at my residence, and leave the R. Her first impulse was to refuse point-blank; but a second thought restrained her. She was entirely out of stationary-her money was lost-she must have the paper before she could hopp to earn more. For horself, she could probably live through it some way; but a thought of Kitty, the dittle sistor entirely dependent upon her, decided to accept the loan so strangely and oppor tunely offered. "You are very kind, indeed, sir, and I us away, and Kitty still so weak ! I will pay you as soon as I can." thank you from the depth of my heart. Not for myself, but cause of; a dear one dependent upon, me do I consent to become your debtor. At the earliest possible moment I will repay you. you. +Why on earth don't you go to work; "Take your own time, my child. I shall like any other sensible girl, and try-to get not expect you to be in any particular hurry about it: and now let me give you my card. Then he said "good day," with a graceful lifting of his hat, as if to a born princess; and she was walking back to her cheap lodging house in perfect maze of wonderment at the oddity of her afternoon's experi-The little busy brain and flugers worked early and late, for the two desolate orphanshad no other dependance.

room vacated at once. The most Nell could Kitty was a shy little thing, with quiet do was to gain a reluctant consent to her peways learned from playing so much by hortition to be allowed to remain one day lonself; for she had an innate sense of rollne- | ger, in order to gain time to find another ment which kept her from joining in the boishome-though, in the desperate state of her terous plays in which the rude children by, whom she was surrounded indulged.
