AGENTS WANTED FOR THE PICTORIAL BOOK OF ANECDOTES AND INCIDENTS ÖF THE REBELLION . Heroic, Patriotic, Romantic, Humorous, a Tragical.

THERE is a certain portion of the THERE is a certain portion of the war that will never go into the rigular bletories, nor be smhodled in romance or poetry, which is a very real gart of it, and will, if preserved, convey, to succeeding generations a better dea of, the spirit of the conflict than many dry reports or careful narratives of evids, and this part may be called the gossip, the fun, the pathos, of the war.

These illustrate the character of the leaders, the humor of the soldiers, the devotion of woman, the bravery of men, the pluck of our heroes, the 'comance and hardships of the service.

The volume is profusely illustrated with over 600 engravings by the first artists, which are vally beautiful; worthy of examination as specimens of the art. Many of them are set into the body of the text, after the popular style of Lossing's Pictorial Field Book of the Ruvolution. The book's contents include reininscences of camp, picket, spy, court, bivounc, slege and hattle-fold adventures; thrilling feats of bravery, with a content of the content orny art.

This work solls itself. The people are thred of dry details and partizan works, and wantsomething humorous, romantle and startling. Our agent, are making from \$100 to \$200 per month, clear of all expenses. Send, for circulars, giving full particulars, and see our terms and proof of the above assertion.
