GROVER

BAKER'S

ELASTIC STITCH FAMILY SEWING MACHINES.

Are the best in Use, FOR THE FULLOWING REASONS:

They are more simple and durable casior kept in order, make a stronger and mere clastic stitch, a firmer and more beautiful seam than any other They sew all fabries from two compon spools, re quire no re-winding of thread, fasten both ends of the eam by their own operation, and though every fifth

stitch is cut the seam will not rip. The Very Highest Prize, the Cross of the Legion of Honor, was conferred ningo and several South American ports, we are in BAKER SEWING-MACHINES at the Exposition Universelle, Paris, 1867; thus atesting their great superiority over all the sewing-machines.

2d.—Its likists are selected with great care, thus incurring small losses, andsconsequently large dividends accrue to the Poncy holders.—See Masselnsurance Reports last as x years
3rd—Its Ratio of Expenditures, including Death daims and Working Expenses to Receipts, are unprecedentedly low. Same Reports.
4th.—All the profits are divided among Policy holders, the origonal capital being limited by Charter to Sight per cent dividends, no more than it carns for the Company at interest.
5th.—It declares and par sits Dividends annually in Cash, thus assisting the insured in the payment of premiums. OOK OUT DRY GOODS-MEN

I have just returned from the East with my Spring Stock, and as usual I am selling Goods a little cheaper than any other bry Goods House in town. I do not think if necessary to occupy a column of newspaper to endeavor to keep up my reputation for selling cheap Goods, nor do I wish to respect any clap trap to gull the public. All I ask of them to call and examine for themselves, and if not satisfied with the prices, not to buy, Remember the stand No. 32, North Hanover street, next door to Dr. Kleffer's, and Miller & Bowers' Hardware store.

P. S. I will say nothing about my third and fourth grand openings.
