De Soto when he visited the shores of America, sought long and arduously for the "Spring of perpetual youth," that those who bathed therein might never grow old in ap pearance. People of our day have in part discovered a substitute for this unfound spring in Ring's Vegetable Ambrosia, a few applications of which gives to white or gray hair that dark, strong and glossy ap pearance peculiar to youthful beauty. If any of our readers doubt this, let them try bottle and be convinced of the truth our assertion.

RING'S VEGETABLE AMBROSIA IS THE MIRACLE OF THE AGE!

Gray-Hended People have their locks restored by it to the dark, lustrous, silken tresses of youth, and are happy! Young People, with light, faded or red Hair, have these unfashionable colors changed to a beautiful auburn, and rejoice!

People whose heads are covered with Dandruff and Humors, use it, and have clean coats and clear and healthy scalps! Bald-Headed Veterans have their remaining locks tightened, and the bare spots covered with a luxuriant growth of Hair, and dance for joy! Young Gentlemen use it because it is richly perfumed!

Young Ladies use it because it keeps their Hair in place! Everybody must and will use it, because it is the cleanest and best article in the -inarket1

BITTINS.—In the medical world, now-a days, Bit-ters are all the rage. In one form or another, under one name of another, they and their staring adverdiscinents are everywhere to be found, professing to all the ills dish is lish to, from a bump on the head to the small pox. See of efficacy in general we know nothing, but there is one variety concerning which we here prejet from all. We refer to Hoof-land's German Bittore. This is not a mere propara-tion of some sort of liquor and bittor harbs and barks, but a Medicino designed for Diseases of the Stomach and Bowels, and of great power and usofulness. We have not made these assertions without consulting MAGNOLIA WATER.—A delightful toilet those who know, and are competent to judge, and they all fully endorse what we say.

The above remarks are copied from the Editorial column of the "EAGLE," Poughkeepsie, N. Y. You will

diect that HOOFLAND'S GERMAN BITTERS is chilirely free from any alcoholic ingredients. Hoofland's German Tonic Is a Combination of all the ingredients of the Bitte with pure Santa Cruz Rum, orange, aulse, &c. It is used for the same disease as the litters, in cases where some Alcoholic Stimulant is necessary, and

PROOFS OF THE SUPERIORITY OF THE AMERICAN WALTHAM

WATCHES

This country has reason to be proud of this splendld specimen of American operativy genius and onterprise. That it will work aroundton it he watch manufacturing of the world no one on doubt who examines the operations of the Waltham establishment, for it turns out watch movements at just about one infit the cost of imported movements—beside the uniform reliability of the machine-made watches mun; give them a great dayoungs over all others where we known. A poor time-piece of the machine-made watches mun; give them a great dayoungs over all others where we known. A poor time-piece of machine-made will be as rard in the future as a good machine make will be as rard in the future as a good machinery in its performance, and can be machinery in the proformance, and can be machinery in the proformance, and can be added the working out of market the thousands of trashy foreign articles miscalled timekeepers, by furnishing so excellent and economical a substitute.—N. Y. Times.

"Wo have had one of the works of this Company in a case for some considerable time, and, companing them with former first-lass works of different manufacture possessed by us, they have established in our opinion their superiority over any over introduced for correctness as time places."—The World.

"We notice with regret (writing of the Paris Exposition) the absence of specimens of American manufactured by the Waltham Company are certainly, so the mass stiff factory character. The watches manufactures."—N. J. Herald.

"The beauty, the precision, the greater cheapness, the uniform excellence, of a watch constructed by Machinery so exquisite that the mer spectacle of its operation is poetic, gradually give the American Watches a public proference which will not be decired."—Harpers' Warly.
