A NEW REWEDY IN CONSUMPTION.-A Physiclan who had, Consumption for several years with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopless. He is the only physician who has used it in his own person, or who has any know edge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and enthe vant of confidence in all others induced him to ha the experiment. To those suffering with any disease of the Lungs he proffers a treatment he confident bolleves will eradicate the disease. Price \$1,50 pt bottle or \$8 a half dozen, sent by express.
