CARLISLE.

By the direction of the Republican Exective Committee of Cumberland Co., a Grand Mass Meeting of the Republican lisle, on Friday, October 9th, 1868.

Friends of Liberty and Humanity the immortal truths fet forth in the Declaration of Independence all are invited to come.

Turn out in your might, and show the the enemy that we are terrib'y in earnest! Well knowing that the majority of the Government still live in the hearts and ones of a traitorous band of politicians, who to-day exert supreme control over the Democratic party. Toese is beland copperhead leaders are to-day doing their very worst to array one portion of the people of this country against another portion: and if they should, through the supineness and apathy of the party which saved the country, be permitted to gain control of the Administration, the doom of the Re- of you to do his FULL SHARE in this public is sealed.

For with Horatio Seymour as President ad upon the dishonert and revolutionary New York platform, we shall have ric and bloodshed, oppression and tryanny such as have not been dreamed of by those Robels and Traitors of the reconstructed Democracy be successful the "Lost Cause will get all they fought for."

The question then for the citizens Cumberland county to determine is whether we shall have PEACE OR WAR, a coun try united and happy, a people prosperous and contented, a Government administerand triumphant victory which awaits ad with RIGID ECONOMY for whether we shall, by the election of Seymour and Blair say that the Rebellion was a rightcous one, and that the war to suppress it was unholy and unjust, and that we agree with Frank Blair in saying that a part of the laws of Con ress are "void" and must be "trampled in the dust."

Grant says "LET US HAVE PEACE." And we urge every citizen whose heart echoes that patriotic sentiment to be present at the Mass Meeting and lend his countenance and encouragement to this noble sentiment. If your neighbor is doubting sue persuade him to come also and be convinced that the only patriotic party is the one whose standard bearers - GRANT and Col-TAX. HARTRANET and CAMBELL are the champions of Truth and Tustice, Loyalty and Patriotism,

The following speakers will positively be present and address the meeting: GEN. JOHN W. GEARY.

Governor of Pennsylvania, R. STOCKETT MATTHEWS, Maryland's most gifted son. MILTON S. LYTLE, Esq., of Hun tingdon, Major A. R. CALHOUN and

Capt. A. W. NORRIS. The following gentlemen have been in vited and it is confidently expected that one or more of them will be present and
