MR. FRANK BLAIR'S friends at the \_\_\_\_South\_are\_taking\_him\_at\_his\_word. They are trampling into dust the usurpations of Congress known as the Reconstruction acts. One hundred and fifty murders for political causes in Louisiana, and signs of increasing turbulence led the Governor and Legislature of that State to appeal to the Genearl Government for military force. A similar state of affairs has just led to a similar application from the Governor and Legislature of Alabama. . Of the condition of Georgia, the riotous dispersion of a Republican meeting at Camilla, with a loss of, fifty Republicans killed and wounded, may serve as an illustration.
